Kanawa museum fight not yet lost

Stanhope reeve Harry Davis and County warden Bill Howe are "taking a very positive outlook" on the future of the Kanawa canoe museum, Davis told Haliburton County council last Wednesday.

The two are spokesmen for the county in ongoing efforts to keep the museum in the county.

Davis said he and the warden expect to broach the matter in a meeting with provincial officials in Toronto within the next few weeks.

A consultant's report prepared for a committee at Trent University identified a number of problems with the present facility adjacent to Camp Kandalore, and recommended that a \$5 million building be erected at one of two sites in Peterborough. Since the report came out, local officials have been co-operating with interested citizens to draft a proposal that would see the collection remain in the county, even if it must be moved from its present site.

Davis said there is a need for a "vehicle to appeal for funds," and that a county wide historical society would be the answer. He has contacted the Ontario Historical Society for information about set-

ting up a local body. Davis was cautiously optimistic about the local effort to keep the world class collection of canoes and kayaks in the area.

"I think things are falling into place just about the way we thought they would," Davis told county councillors.

The Stanhope reeve said a sign erected by his municipality along Highway 35 to advertise the museum has resulted in a fourfold increase in visitors to the museum this summer, according to collection owner Kirk Wipper, "so we're very encouraged that way."

Stanhope deputy reeve Elgin Stouffer suggested that the county consider setting up a fund to make improvements at the present museum site, and contribute \$20,000 a year to the work. He noted that the willingness of local people and politicians to support the project could be a factor in the decision to keep it here or move it to one of the locations recommended in the consulting report.

Reeve Harry Davis said he would have more information about the museum issue at council's October session.

Stunt pilot killed in crash

Canadian aerobatic champion pilot Frank Jenkinson, who thrilled crowds with the precision of his flying at this year's Stanhope air show, died Sunday when an aircraft he was testing for a friend crashed near Sutton, Ontario.

Jenkinson, of Scarborough, was flying a Pitts Special bi-plane, and had executed a series of difficult manoeuvres when the machine went into a spin and crashed nose first into the ground.

The aircraft was similar to the

FJ Special that Jenkinson flew at the Stanhope show, but had less horsepower.

Jenkinson had won the Canadian Aerobatic Championship September 10 at Gatineau, Quebec.

He performed twice at the Stanhope show, filling in when other acts were unable to attend, and drew praise from event organizers and an appreciative audience.

Jenkinson is survived by his wife Beverly and children Rick, 18 and Mary Anne, 15.

Land study under fire

A land use study published recently by the Ministry of Natural Resources continues to come under fire from local politicians, who have identified a number of problems with the document pertaining to the Minden District.

Haliburton County Warden Bill Howe told council last Wednesday that he had met with the MNR officials to spell out the weaknesses council sees in the document.

A key issue for local politicians is the fact that no new provincial park is anticipated in the Minden District. The only park in the county is at Silent Lake in the south east corner of the county, but it is administered by the MNR's Bancroft District and has little apparent impact on the county's economy. Algonquin Park does have some benefit to the Haliburton area, but

the park cannot be entered from the county.

Howe said the Ministry was informed that local politicians think there should be provision for a new provincial park that would be central to the area. The county's population is not growing, Howe said, but that should not be a justification for "cutting off" MNR programs.

Snowmobile associations no longer get grants through the ministry, "which is questionable" Howe told council.

County representatives think there should be more access to crown lands in the north east corner of the county for recreational purposes, but no plans for doing so are included in the MNR land use study for the Minden District, which looks

War dead honoured in weekend ceremony

Reg Schofield was one of the dozens of Legion members who took part in a dedication ceremony for a cenotaph in Wilberforce Saturday afternoon. The unveiling of the monument was the culmination of months of

fund raising and efforts by Branch 624 of the Royal Canadian Legion. Legionnaires from other branches, as well as municipal, provincial and federal representatives were on hand for the occasion.

Board spending still an issue

Local municipal councils are being given a chance to consider a set of questions addressed to school boards before Haliburton County council decides what, if any, action it will take on the matter.

The questions are part of a resolution from the County of Wellington circulated to all municipalities in Ontario. Education Minister Dr. Bette Stephenson has been given a copy of the questions as well, and has replied to them in a letter include with the Wellington resolution and read at county council's September meeting last Wednesday.

The resolution says Wellington councillors are "frustrated with school boards' unchecked demand for revenue" from ratepayers and insists that "appropriate restraint be shown by the school boards now and in future years." It includes a set of questions which, if supported by local councils, could be passed on to the board of education for a reply.

The Wellington resolution asks: Why have the Boards funding requirements for 1983 increased significantly and not been held to the Ontario Government's guidelines of five per cent?

What steps are being taken to ensure that local control is regained over those areas of the Boards' budget which are supposedly beyond immediate control?

Assuming that quality education is a proper and primary goal of the Boards, and not a shield to fend off criticism; what systems are in place to monitor cost-effectiveness of tax dollars spent; and, more particularly: are the Boards over-administered?; do the Boards indulge in luxury programs?; are all salaries, teaching and non-teaching, reviewed in relation to

Local training centre a model for future plans

Haliburton's Hospitality Training Centre is a model example of how to train young people for the tourist industry, according to the director of the Ontario Hospitality Institute.

George Kibedi says he has followed the progress of the Haliburton project with interest, and intends to bring it to the attention of tourism experts from around the world when he speaks at a conference in Budapest, Hungary next March.

Kibedi was in Haliburton Monday along with three other OHI officials to talk to the Haliburton program director Rebecca Parkes about how the two organizations can co-operate in upgrading the local tourism industry.

Kibedi says the Haliburton training centre is a very "cost effective" and "down to earth" means of giving young people the skills they need to land jobs in the tourist industry, and he believes it could serve as a model for similar programs around the world.

The Haliburton centre got underway this spring, and graduated its first class early in September. A second, four month long course is underway, with funding assured until next March.

The institute which Kibedi heads is a joint venture of the provincial Ministry of Colleges and Universities, Tourism and Recreation and private industry, established in

OPP report

General Occurrences

During the period September 19 to 25, 1983 personnel at the Minden Detachment of the OPP investigated the following occurrences: nine motor vehicle accidents in which two people sustained minor injuries, and 63 General Occurrences, including nine break and enters, eight thefts and two impaired drivers.

Van stripped

On Sunday, Joseph Badali, of Toronto, parked his 1970 Ford van on Bobcaygeon Road south of Highway 118. When he returned all four tires and rims, valued at \$1200, were missing. In addition his battery, stereo, tools, and some clothing were gone. Total theft was over \$2,000.

Break and Enters

Three cottages on Elephant Lake were reported to have been broken in to sometime prior to September 23. A large quantity of goods were stolen including three outboard motors, a portable generator and assorted fishing equipment. Police say these thefts may have been committed by two persons with a van or a pick-up truck.

Accidents

Last Tuesday at 9:20 a.m. on County Road 18 in Minden Township, Howard Roblee, age 53, of R.R.1, Minden, lost control of his 1969 Envoy while rounding a curve and rolled the car over. It was damaged \$4,000. Roblee was charged with careless driving.

Last Wednesday at 9:00 p.m. on the Bobcaygeon Road 8 km. north of Minden, Dennis Willison, 37, of Lutterworth Township lost control of his 1981 GMC pickup truck on a curve and rolled over. The truck was damaged \$3,000. Willison was charged with impaired driving.

Last Thursday at 5:15 p.m. a loaded dump truck was struck on the right side at the rear wheels by a vehicle proceeding out of a private drive onto County Road 1. The truck, driven by James Sisson, age 20, of R.R. 1 Dunsford, incurred \$500 damage. The 1966 Cadillac, driven by Richard Newson, 33, of Snowdon Township, sustained \$2,000 damage.

Newson was charged with failing to yield the right of way, driving without a validated licence plate, and driving without insurance.

Monmouth Township council minutes

A regular Monmouth Council meeting was held on September 12, 1983 at 7 o'clock p.m. Members present were: Reeve, Keith Tallman, Deputy Reeve, Harry Clark, Councillors, Jim Deterling, Barry Dunford and Alan Revill. Staff present was Sharon Stoughton, Clerk Treasurer. Visitors were: Danny and Arlene Mathews, Lynn Storey, Eileen Agnew, Ray and Lorraine Casey, Rodney and Geraldine Bowen, Ted Deterling and Bruce Gibbs who was spokesman for the concerned citizens re the re-zoning of Block B, Plan 543 from Recreational to

Hamlet Residential and presented Council with a brief and a protest petition on the re-zoning. Also present were Jack Daniels, Frank DeCarlo, Margaret Finlay and John Finlay.

The following bills and accounts were approved: Welfare Payroll No. 8, \$743.70; Roads Voucher No. 8, \$7,341.16; General Voucher No. 8, \$39,180.96. Council accepted the three bids re tax arrears property for sale, subject to the approval of the Ministry of Municipal Affairs and Housing and subject to the prospective purchasers paying for survey and registration

costs as applicable with such sales being completed by December 31, 1983 or the deposit shall be forfeited. Council will again request the Planning section of the Ministry of Transportation and Communications at Kingston to consider allowing for a left or right turn land on County Road #4 easterly considering the additional traffic generated at the retail complex 150 M to the west, the concern of traffic delayed on County Road #4 using municipal property either in front of the fire hall or through the Curling Club and municipal property further with the

increase in traffic count as final improvements are made in County Road #4. A copy of this resolution will go to John Eakins, M.P.P. and Honourable James Snow.

Council will again request the Planning section of the Ministry of Transportation and Communications at Kingston to consider allowing for a left or right turn land on County Road #4 easterly considering the additional traffic generated at the retail complex 150 M to the west, the concern of traffic delayed on County Road #4 using municipal property either in front of the fire hall or through the

Curling Club and municipal property further with the increase in traffic count as final improvements are made in County Road #4. A copy of this resolution will go to John Eakins, M.P.P. and the Honourable James Snow.

By-Law 83-14, a by-law to write off uncollectible taxes, was read a first, second and third time and passed as prepared.

Council will purchase a load of top soil to be shared with the cenotaph and municipal property and municipal equipment will be used as necessary to work at the cenotaph.

Council confirmed the construction project to have

Royale Paving place a hard top surface treatment on Holmes Drive including the Cul de Sac at a price not to exceed \$5,000.

Council will list the following properties M.L.S. Con 10, pt. 16, 3.81 acres; Con 11, pt. 16, 2 acres; Con 16, pt. 16, .79 acres, for a period of six months.

Council agreed to sell the piece of municipal property north of the Cartwright property being part of lot 30, con 12 and south of the municipal road for the price of \$700 to Mr. Cartwright provided the purchaser assumes all costs including survey and registration costs.

Cardiff council minutes

The regular meeting of the Municipal Council of the Corporation of the Township of Cardiff was held in the Council Chambers, McGillivray Building on September 2. All members of Council were present. Staff in attendance were: Thomas Elliott, Road Superintendent; Ronal Mumford, Chief Building Official and By-Law Enforcement Officer and Gayle P. Billings, AMCT Clerk-Treasurer.

Also in attendance were: Carol Slighte, William Davis, Clyde Hadley and Arthur Jackson.

The municipal clerk was authorized to make application to the Ministry of Municipal Affairs and Housing for the January 1, 1984 installation of its BACPAC, basic accounting package, with funding under the Municipal

Action '85 Program.

The following accounts were authorized for payment: Roads Voucher #83-8 \$20,768.81, Needs Project #83-8 \$1,174.89 and General Voucher #83-8 \$8,597.95.

The following accounts were authorized for payment: R. Hawley Gulf Oil Ltd. \$613.80, York River Service Centre \$296.01.

Council adjourned to a Committee of the Whole Council, and later resumed its open session.

Jane Eriksen was hired as full time municipal clerical assistant in accordance with Township of Cardiff Employment Policies, effective September 19, 1983.

The clerk-treasurer will be paid the sum of \$1,176 for over-time worked to date with the understanding that no further over-time will be

paid in 1983. A NAY vote was registered by Ross Duncan.

Policy 010 is changed for the office staff to work a 35 hour week and based on a five day week, Monday through Friday with provision to change to summer hours in 1984 and discussed at the April 1984 meeting.

Assessments and taxes were apportioned for several properties for the year of 1983, effective January 1st, under authority of the Municipal Act Section 406 (1).

The Township of Cardiff requested permission from the Ministry of Transportation and Communications to erect a directional sign to indicate the Municipal Office: one at the junction of County Road No. 9 and Highway 28 and one at the junction of County Road No. 9 and Highway 121.

The Township of Cardiff requested permission from the County of Haliburton to erect a directional sign to indicate the Municipal Office at the junction of McGillivray Road and Bicroft Mine Road, also known as County Road No. 9.

The clerk-treasurer was Please turn to Page 7

Health council executive new

The Haliburton, Kawartha and Pine Ridge District Health Council has announced a new executive committee as of September 15.

James A. Swanston of Peterborough will serve as chairman of the council, which was established in 1975 by the Ontario Ministry of Health and acts as a local advisory body to assist the minister in making health care decisions for the geographical area covered by the counties of Haliburton, Northum-

berland, Peterborough and Victoria.

Vice chairman of the council is Dr. Maurice F. Clarkson, also of Peterborough.

Secretary-treasurer is E. Dorene James of Indian River.

Donald A. Moir of Lindsay will sit on the committee as immediate past chairman.

Members at large include Barbara Pierce of Haliburton, Michael J. Dwyer of Peterborough, and Gordon C. Brown of Port Hope.

'Over 'Ome Day' set to go

The final event of this year's Harvest Festival is coming up this Saturday in Haliburton, and it promises to provide an afternoon of family fun and an evening of high quality entertainment.

The day's activities will get underway at 2 p.m. at the ball diamond beside the Dysart recreation centre. Included will be a horseshoe tournament, a softball pitching contest, and 'welly wanging,' which is a chance to see how far you can kick a rubber boot. There will be a competition for youths, ladies and men, and food will be available throughout the afternoon.

In the evening the focus will shift to the curling club for an 'over 'ome day' dance. On hand will be 'The Good Companions,' regular performers at Deer Lodge, who put on a lively English musical hall revue of songs, skits and humour. The show lasts about an hour and a half, and will be followed by dancing until 1 a.m. to music by disc jockeys 'the Hills,' who handled the same duties at last year's event.

To round out the evening, a variety of Octoberfest sausages will be available.

Admission is by passport available from area merchants, or at the door.

Staanworth gets loan from province

Municipal Affairs and Housing Minister Claude Bennett has announced a \$18,575 provincial interest-free loan for the combined Townships of Stanhope, Lutterworth, and Anson, Hindon and Minden have already received a \$3,000 provincial grant. The majority of the \$18,575 loan will be used for technical consultants' contracts. The ministry loans are scheduled for repayment at the time of the first mortgage advance.

A 21-unit senior citizen rental building is being developed on Prentice Street in Minden. The development will contain 15 one-bedroom units and five two-bedroom units. An additional one-bedroom unit has been specifically

designed to accommodate a handicapped tenant. Under the ministry's municipal non-profit housing program, a federal rent reduction grant from Canada Mortgage and Housing Corporation reduces the effective interest rate on loans from private lending institutions to two per cent. When required, the province offers an additional rent reduction grant of up to 100 per cent of the federal assistance.

These rent reduction grants are used to maintain overall rents at market levels, and to subsidize rent-geared-to-income units.

IF YOU OWN OR RENT PROPERTY IN ONTARIO, GET INTO THE ACT.

On August 1, Ontario's new Planning Act came into force. So if you rent, own, or are about to buy property in Ontario, it makes sense to get into the Act. To know what it says.

Did you know, for example, that it's the municipality's duty to inform the public before changing zoning bylaws? And that your rights to appeal are guaranteed by the Act? Or that if something is to happen to the use of land next to yours, or on your street, you must be notified?

Also included are new ways of insuring that the public interest related to such issues as foodland, natural resources, and heritage areas is protected. Concerns

which are important to all of us.

Getting to know the Act is as easy to do as sending the coupon below to:

Communications Branch
Ministry of Municipal Affairs
and Housing
56 Wellesley Street West, 2nd Floor,
Toronto, Ontario, M7A 2K4

You will receive an informative brochure filled with pertinent facts. That way, you too can get into the Act.

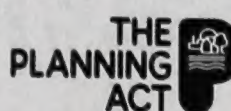

Ministry of
Municipal Affairs
and Housing
Claude Bennett, Minister

I'd like to get into the Act.

Please send me my free brochure about our new Planning Act.

Legion builds cenotaph

Wilberforce ceremony dedicates monument

The servicemen who gave their lives in defense of Canada have never been far from the minds of Legion members in Wilberforce, just as they are remembered by people in communities all across Canada. Now, however, there is a visual symbol of that remembrance in Wilberforce, and Legion members have a focal point for future ceremonies. A cenotaph was unveiled Saturday afternoon in the hamlet, the culmination of months of work by Branch 624 of the Royal Canadian Legion, the municipality and the community at large.

On hand for the ceremony were the Wilberforce legionnaires, representatives of Legion branches in Bancroft, Lindsay and Haliburton, municipal officials, MP Bill Scott, MPP John Eakins, the local Brownie pack and their leaders, and a number of interested citizens.

The cenotaph was designed by Branch 624 president Harry Dingley, and constructed on a concrete pad adjacent to the Lloyd Watson Memorial Centre.

Work on the field stone and concrete structure began in July after a lengthy fund raising campaign, directed by Harry Floden. Taking part in the construction were Ron Buxton, legion secretary, Floden, Frank Piper of Bowmanville, Paddy Welsh, who supervised the stonework, Pat Gallen, Harry Dingley, John Jackson and Walter Klapow.

A capsule containing the names of the men of Haliburton County who died in the two world wars was placed in the cenotaph during construction. Also placed in the structure were coins and a description of Wilberforce as it is in 1983. Formal ceremonies began in the

community arena and then moved in a parade of flags, drums and pipers, to the cenotaph.

A Canadian flag had been draped over the inscription stone, and was removed to symbolize the dedication of the monument.

While the ceremony was taking place, a Canadian forces helicopter flew over repeatedly to add a modern day military note to the proceedings.

Following the unveiling, a number of wreaths were placed at the foot of the cenotaph. The gathering then returned to the arena for brief speeches from visiting legion officials, reeve Keith Tallman, Bill Scott and John Eakins.

The day's events concluded with a dinner at the Wilberforce Legion Hall prepared and served by members of the Legion Ladies Auxiliary.

MPP John Eakins and MP Bill Scott were in Wilberforce Saturday to take part in the dedication and unveiling of a cenotaph in the community. The

day included a colourful parade by Legion members, a ceremony and wreath laying at the cenotaph, and a dinner served up in the Legion hall.

Councillors to consider questions

from page 1
salaries of other Boards and salaries of individuals outside the field of education with equivalent education and experience?

What are the details of the Boards' 1983 budgets, not just the superficial totals to be levied?

In her reply to the Wellington resolution, the education minister says she "appreciates council's views about the importance of restraint on school board budgets," and notes that while the province does not exercise direct control over school board expenditures, "we fully support financial restraint by all levels of government."

Stephenson says that when

grants were announced in March of 1983, she "attempted to convey clearly to school boards the financial realities which prevail" and the need to "practise restraint in order to keep expenditure and mill rate increases to a minimum in 1983."

She also noted that the "climate of restraint" would be continued into 1984.

The minister emphasized in her letter that like municipal councillors, school board trustees are answerable to the public at election time and "have the responsibility of justifying and defending the annual education budgets."

In conclusion, Stephenson said

she fully endorsed "the idea of continual and open dialogue between municipal and school board officials."

Haliburton County council decided not to discuss the questions or take any direct action on the resolution last Wednesday. Instead, at the request of Anson, Hindon and Minden deputy reeve Ed Pergolas, copies of the resolution and questions were provided to representatives and will be taken back to municipal councils for consideration and discussion.

A decision on how to respond to the Wellington county resolution is expected at council's October session.

'Province should foot bill'

Welfare payments have long been a bugbear of municipal councils, and it seems that at least once a year, a resolution on some aspect of the issue makes the rounds. The latest one has come from the City of Stratford, and like others, it has found support from Haliburton County council.

The resolution, which was endorsed by county council at a meeting last Wednesday, calls on the province to assume 100 per cent of the cost of General Welfare Assistance.

Municipalities presently contribute 20 percent of the cost of welfare they pay out under the provisions of the General Welfare Assistance Act, with the remaining 80 percent coming directly from provincial coffers. But according to the Stratford resolution, "changing economic conditions" have made it impossible for municipalities to

budget properly for the share of welfare payments that must come directly from local ratepayers.

The resolution says that "several municipalities are burdened with an unequal distribution of those recipients receiving general welfare assistance." It contends that if the provincial government were to assume 100 percent of the cost of

welfare assistance, "unequal costs to municipalities would be eliminated and the total cost would be borne by the entire tax base."

Haliburton County council's motion of support for the resolution will be sent to the Premier, the minister of Community and Social Services, the Association of Municipalities of Ontario, MPP John Eakins and the City of Stratford.

Seat on council vacant

Monmouth Township council has accepted the resignation of councillor Barry Dunford and declared his seat vacant.

The move came at a special meeting last Wednesday.

Dunford has served on council since last November, but resigned his seat to take over the job of road

superintendent for the municipality.

Council is expected to appoint a replacement for Dunford early in October, and could choose from among unsuccessful candidates for council seats in the municipal election, or from among ratepayers who have not previously sought office.

County supports blood test

Haliburton County council has voiced support for a resolution that asks the government of Canada for an amendment to the Criminal Code that would allow blood samples to be taken from injured drivers for alcohol testing.

The proposal was made in a resolution from Oxford County council that was supported by Haliburton County council at a meeting last Wednesday.

Under present legislation, doctors are prohibited from taking blood samples from injured drivers for blood alcohol testing, and could be charged with assault if they did so.

Only if a driver is capable of taking a breathalyzer test can the amount of alcohol in the bloodstream be measured, a process that is impossible if the individual is injured.

The Oxford County resolution notes that blood alcohol testing "is now a fact of life in Sweden, Australia, Norway, Finland and the Netherlands" and says that "international comparison indicates that the portion of fatal road accidents caused by drunken motorists is considerably lower in Sweden and Norway than in comparable countries with more liberal traffic rules."

The resolution goes on to suggest that "the shortest road to increased traffic safety is a more determined struggle for increased sobriety at the wheel." It asks the federal

government to amend the Criminal Code of Canada "to allow for the testing of blood samples for blood alcohol levels in cases where, because of injuries sustained in a motor vehicle accident, drivers are not now subjected to testing when

suspected of driving while impaired."

Haliburton County councillors were unanimous in their support of the resolution, which is being circulated to all counties and regions in the province.

County upset with study

from page 1
ahead as far as the year 2020, Howe said.

"We feel that maybe they haven't taken into consideration the fact that 70 percent of every dollar in the county comes from tourism," Howe said. "Maybe they're not aware of that."

Another major concern of council is the apparent move away from decentralization. Such a policy could result in closure of the

Minden District and the transferring of responsibility to one of the surrounding Districts, Lindsay, Bancroft or Bracebridge.

"We should strongly object to any move to close (the Minden District) office it's in the wind at all," the warden said.

Dysart et al council has expressed similar concerns, but with the land use guidelines already in print, it is not clear what, if any action can be taken in response to local concerns.

Training centre praised

from page 1
1981. It focuses on training young people for the industry, facilitating better employee/employer relationships, and helping entrepreneurs manage their tourism operations more effectively.

Kibedi sees the local training centre as a focal point for OHI programs in the area. These could include seminars for tourist operators, with a view to helping them

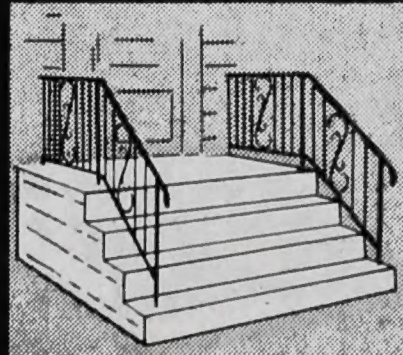

manage their businesses better, and the provision of information gleaned from OHI studies on employee/employer relations in the industry.

In Haliburton Monday along with Kibedi were Dr. Sarma Vangala, chief of research programs for the OHI, Amine Kardan, chief of operations, and Rigzin Dolkar, senior program officer.

Approaches

Council representatives throughout Haliburton County are being given yet another chance to ride an imaginary wave of public concern over education spending, a wave that councillors spy on the horizon every time municipal taxes are due and that dissipates to the merest ripple once the bills are paid. This time the councillors are being asked to consider a set of questions drafted by their counterparts in Wellington County, questions which purport to probe the reasons why boards of education continue to require more money each year than the rate of inflation would appear to justify.

To their credit, councillors didn't just nod approval to the questions and have them sent off to the local board in the next mail. They decided to take the questions back to their municipalities for consideration, and will vote on the matter at the next county council session in October.

This whole issue is depressingly familiar, but it certainly will not be solved by the kind of superficial and smugly superior questions contained in the Wellington resolution.

The Wellington County approach is based on the pervasive assumption among municipal councillors that they are responsible managers of the public purse while trustees elected by the same ratepayers are not. Councillors might fool themselves with that assumption, but they will not fool the public. If anything, ratepayers should feel just a little bit insulted by a municipal mentality that assumes trustees are profligate spenders while councillors are as parsimonious as necessity allows.

If councillors have genuine concerns about education spending, they have every right to broach those concerns at meetings of the board of education, which are held once a month, on Tuesday nights, at the board office in Haliburton, and are open to the public.

In Haliburton County, neither the board nor the municipal councils are unapproachable bureaucracies. Dialogue is possible, and would be welcomed by both sides. If concerns about spending are genuine, they should be brought to the board in open session, not fired off in the mail, in words written by others.

If that were done, then maybe, just maybe, an end could be put to the tedious wave of uninformed criticism that surges forth at least once a year.

Restraint

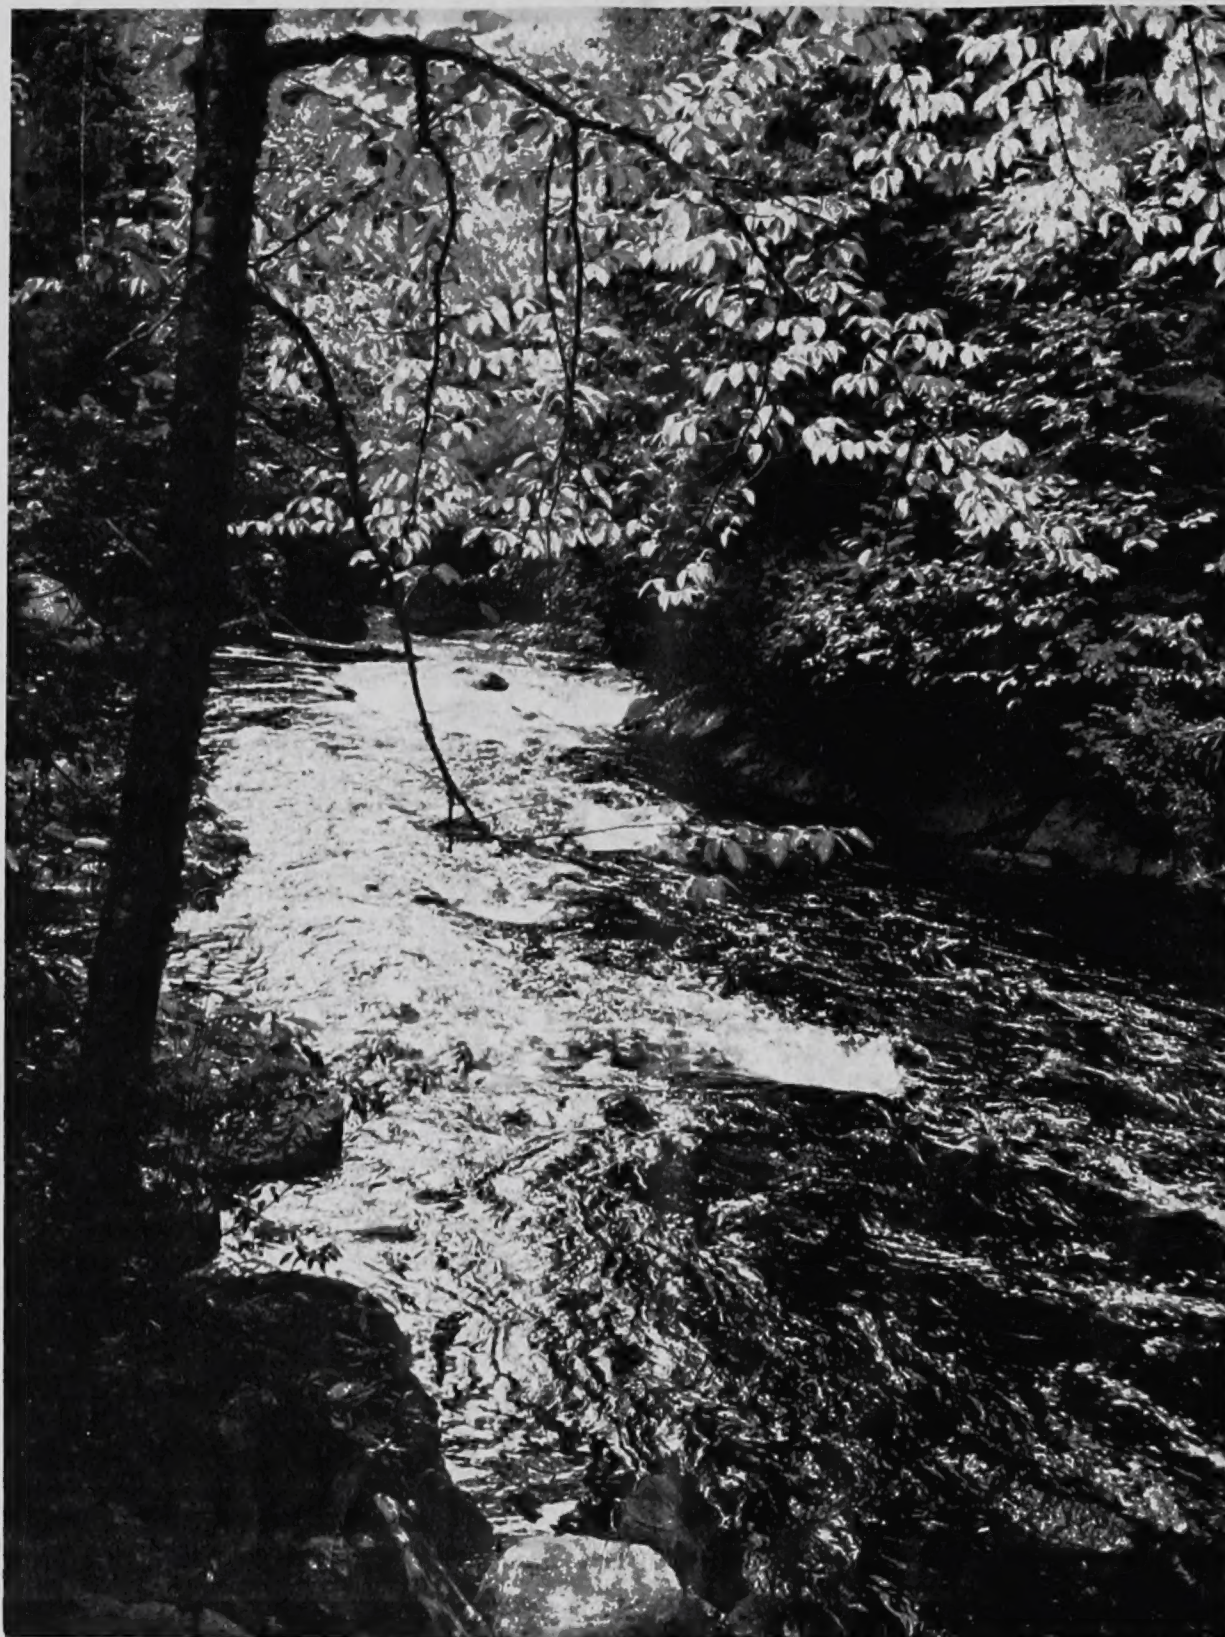

The Ontario government has once again announced its intention to put a five percent ceiling on public sector wages for the coming year. But in a bid to soften the blow, provincial treasurer Larry Grossman says he wants to see a return to limited collective bargaining. How absurd. Does the minister really expect that people will set their sights on four percent increases, or three percent, and bend from a five percent starting point in negotiations?

What the government has said, in effect, is that all public sector employees will get a five percent wage increase. Under those circumstances, meaningful collective bargaining is no longer possible.

It is difficult to see what will be accomplished by the move, other than to further alienate and depress close to half a million Ontario workers.

The minister might find a little more support for his position on wages if he reciprocated with cut backs on such wasteful programs as providing money to municipalities so they can celebrate the province's bicentennial next year. Or perhaps he should place a five percent ceiling on gasoline taxes, or cut sales tax.

That won't happen of course, because in Ontario, as in Ottawa, restraint effects workers but escapes politicians.

Letters

To The Editor:

Rarely is it that I find it necessary to write to the editor of the paper. However, having read your last editorial titled "In Fairness," I think that it is time that you were honest with your readers.

Firstly, Bowskill and council have often been in disagreement but to both of their credit they have managed to work out things to mutual satisfaction in most cases. The statement in my letter to the Chamber of Commerce Managers that seems to have you most upset was that Haliburton seems to have less than enthusiastic political support for development. You immediately have taken that at a local level - open your eyes. I do believe what is also detrimental to any development in this area is the negativity that you allow in your writing. For example you expounded on your theory that Bowskill wants special consideration. I feel I have never asked for any favours and am the first to agree that all people deserve equal treatment. I do appreciate your comment that the Skyslider has been good for the area; unfortunately I cannot say the same for your writing.

How often have I listened to you saying you wished that the tourists would go away and Haliburton remain a quiet backwater. That thinking is fine as long as your readers know your views and you don't cleverly hide them in your articles and editorials.

There is nothing wrong with controlled development because, believe it or not Mr. Pizzev, there are people in this county who are unemployed and would enjoy a 12 month/year job. There are graduating students who would like at least the option of living here and finding work instead of having to leave the area. There is only one way that can happen and that is if there is development, controlled intelligent development.

I do not expect all people to agree with my ideas but at least I'm willing to propose and attempt development. It is so much easier to be critical. I feel I have tried in Haliburton. In "all fairness" can you say you have done the same?

Steve Bowskill
Haliburton, Ontario

To The Editor:

In the 30's, the Nazis occupied country after country by force, leaving a trail of suffering and terror behind. Neville Chamberlain and his peacemakers closed their eyes and ears to the injustices and atrocities committed in the name of the German people by these criminals. To safeguard peace, good will, trust and every consideration were given to Hitler. This led to Munich and appeasement and ultimately to the Second World War.

Now we are forced with a similar situation. Russia and its satellites are governed by self-imposed, dogmatic rulers wielding immense power. Country after country has been occupied by force. One third of the world population has now been deprived of freedom and human rights. Resistance has been cruelly subdued by the secret police and its spy system. Elsewhere, the Kremlin pursues world domination through indirect interference with the affairs of other countries. Soviet agents create unrest and trouble all over the world.

The Kremlin's hands are stained with the blood of millions of innocent people. We are shocked and surprised at the death of a mere 269. Why? Because like Chamberlain, we prefer to bury our heads in sand, close our eyes and ears and pretend that nothing has happened. In order to save peace, we extend trust and good will to the Soviet leaders, who have no appreciation of such humane qualities. We forget that we are not dealing with ordinary Russians. They want peace just as much as we do, but it is not up to them to decide the course of action. Only free men can do that and they are not free.

The Soviet leaders represent an ideology whose main purpose is to destroy our civilization on their way to world domination. No amount of peace talk and disarmament will ever change that.

If we pursue a policy of appeasement, it will happen that much sooner.

Just like in 1939, a weak country will be a push-over for the army of evil, now represented by the Soviets. This time there will be no help from abroad. Canada and the U.S. will be the victims.

Douglas Jones
Lindsay, Ontario

To The Editor:

An open letter to the people of Monmouth Township:

Let's keep it! It's only a vacant piece of ground, but it's covered with snowmobile tracks in the winter and motor bike trails in the summer. On windy days kites fly over it and on wet days little children splash in its puddles.

It has the potential of someday holding Senior Citizen apartments, a bigger library, or perhaps a museum.

Why sell this lot off for houses? Monmouth Township already has numerous building lots available for houses, with owners anxious to sell to developers. Why should the township enter the

Creighton Feir

It always amazes me to see the way that many local groups and organizations rush to the local business people for a hand out whenever they are in need of money or prizes to be given out at some event they are having. My answer to this problem is if your organization has to go to the business people for a donation or a hand out you should fold up and look for some other venture to get interested in. Many of the local business people are being bombarded each and every week with people representing this organization or that organization with their hands out for money or merchandise. It's getting to the point that these merchants are getting fed up with being the fall guys for every Tom, Dick or Harry who comes along for one of these donations. Just because they are in business what gives these scroungers the right to think and demand that they should shell out every time they holler. In this day and age most business people are struggling to make ends meet and are in no position to give away everything in the store. In the future may I suggest that these organizations and clubs try to get their donations from many of those living in the village who are not in business who have lots of money and don't know what to do with it. If you need money get it from some other source, but let's give the local merchants a rest.

This Thursday evening, September 29 the Rotary Club will be moving their weekly meeting to the Royal Canadian Legion Hall at Haliburton. It will be Youth night and each Rotarian is asked to bring along a youth (son, daughter, etc.) as their guest.

There is no moose season scheduled for this area this year but from some reports we have been receiving there seem to be a few of them wandering around. On Monday evening, September 19 Mr. and Mrs. Paul Brown of Haliburton were returning home from West Guilford when a moose pulled up beside their car about a quarter of a mile the other side of the Municipal garage. They watched the moose wander down in the area of the garage and into the bush. When they turned the car lights on high beam the moose drifted away in the woods. On Sunday evening when returning to their home in Haliburton following a trip to Bracebridge Mr. and Mrs. Ross Keefer spotted a moose running out in front of their car near the Camp Towhee turn off. They thought it had disappeared in the bush only to find that it circled back in front of their car, doing considerable damage to the vehicle.

Seasons tickets are now on sale for all Haliburton Huskies regular season home games. Only 300 tickets will be sold. For tickets contact Bob Nichol at 457-2631 or Don Lloyd at the arena.

The Haliburton Highlands Harvest Festival '83, a project of the Haliburton Highlands Chamber of Commerce, continues with its final night on Saturday, October 1 at the Haliburton Curling Club with the theme Old English Music Hall including an "Over 'Ome Day" which is sponsored by the Rotary Club of Haliburton.

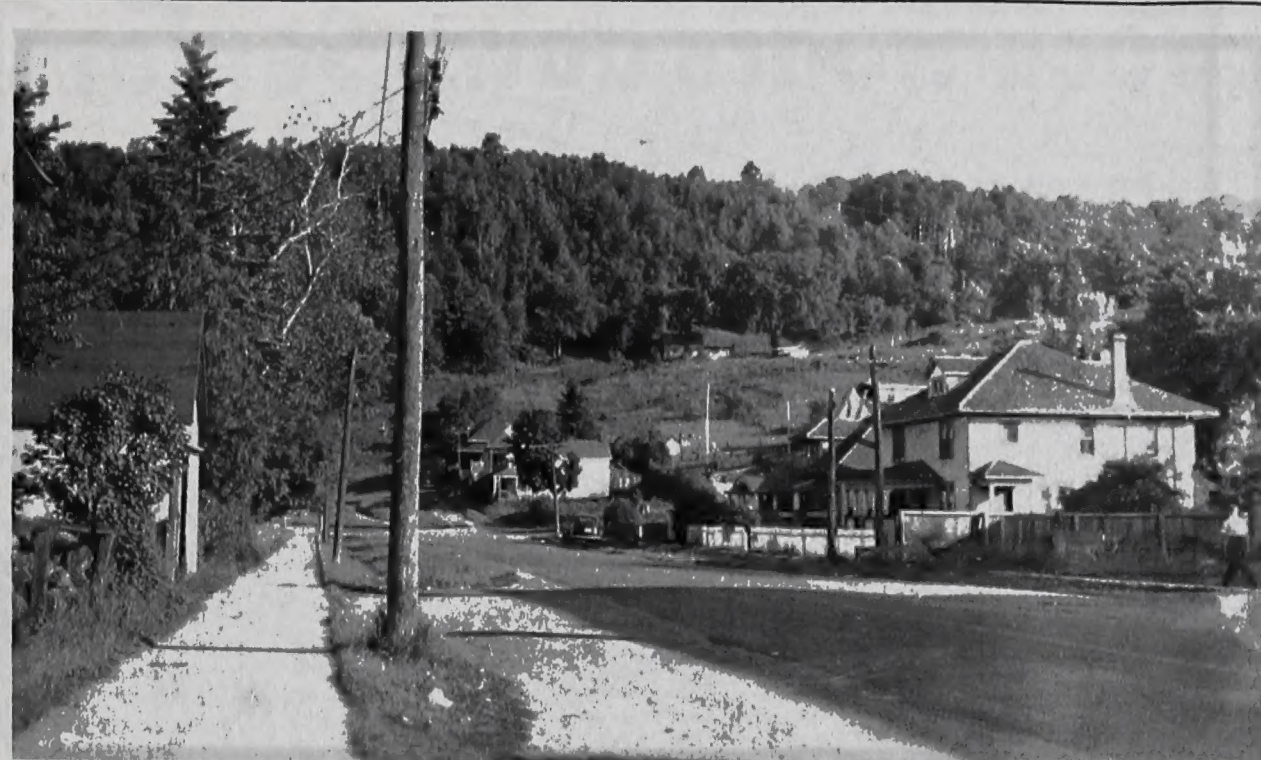

Some of the members of the Haliburton Horticultural Society were telling me the other day that they are in the process of planting 1400 daffodil and tulip bulbs at Head Lake Park at Haliburton. When they start to bloom the park will be a colourful sight.

The 1983-84 edition of the Haliburton Huskies have been training at the Haliburton arena for the past few weeks in preparation for the season that lies ahead. This year's version of the Huskies got off to a good start on Saturday night at the local arena when they defeated Huntsville in an exhibition game. On Saturday, October 8 we should know what kind of stuff this year's Huskies are made of when they face their first home game of the regular schedule. Ten teams will once again make up the league so this gives the local fans plenty of new faces to see each week. I don't think that there's any doubt about it that this year's team will be much improved over the team that took to the ice a year ago. We must keep in mind that the Huskies' competition will be much stronger this year but the locals should have the team to meet this challenge.

One day last week when Norm Titus who is a resident at Extencicare at Haliburton was taking his daily walk through Head Lake Park he noticed a book on the ground. When he picked it up he noticed that it was a coin folder holding one cent coins from various years. If the owner can identify same he or she may pick it up at the office of the Haliburton County Echo.

The annual turkey dinner which is sponsored by the Haliburton Figure Skating Club is on this coming Sunday, October 2 at the Royal Canadian Legion at Haliburton from 4:00 p.m. to 6:00 p.m. Adults \$6, children 12 and under \$3, preschoolers free.

According to a story in the Toronto Star, if the Los Angeles Kings can keep healthy they should be a threat in this year's upcoming National Hockey League Season. A healthy Bernie Nicholls this year who scored 28 goals even though he was injured for part of the season should make a big difference.

Pic of the Past

If you ever wondered if things ever change in Haliburton this photo taken in the early 1920's should furnish you with the answer. The picture was taken near the present traffic lights

on Maple Avenue looking toward the municipal hall. As you can see the road wasn't paved at that time and the sidewalks were constructed of wood. Just note some of the changes that have been made in recent years. The post office is now on the left hand side of the street and Dixie Lee is now located on the right hand side, replacing the big white house that was torn down recently. Even Curry Motors was not in business on the corner at that time.

Queen's Park Report

John Eakins, M.P.P.

Government Ministers come and go, Ontario Cabinet shuffles these days barely merit the raising of an eyebrow. One must wonder, however, what possessed Premier William Davis to drop the affable Doug Wiseman from the Ministry of Government Services portfolio. Why would the Premier banish the only rural representative for Eastern Ontario from the political inner circle at Queen's Park?

To a large extent, one can only speculate as to the political motives of the Premier. But the workings of the bureaucrats at Queen's Park leave one to question to what extent this Minister, and indeed, any Minister has become irrelevant to the process of governing in Ontario.

Take the small example of a recent consulting contract between the Ministry of Government Services and the firm of Allan W. Foster and Associates. The contract was for the establishment of a human resources planning and development program and a performance management process. In layman's terms, this involved programs to evaluate employee and management goals and performance.

The contract with Allan W. Foster and Associates ran from June 10, 1982 to June 3, 1983, and the total bill amounted to \$81,337.

Government management procedures, includ-

ing contract services, are governed by the Management Board of Cabinet Manual of Administration. The major portion of this contract, worth \$53,812, falls into a category known as management consulting services. According to the Manual, before seeking assistance from management consultants, a Ministry must undertake a feasibility study of the proposed contract. This was not done in this case. Similarly, any such contract where the total estimated cost is not under \$15,000, must be tendered. This also was not done, as the contract involved packets of work costing \$5,850, \$10,575, \$9,000, \$13,387 and \$15,000 respectively.

All these matters were settled upon by the senior management of the Ministry, including the Deputy Minister, without any apparent references to the Minister.

One wonders what is the purpose of the guidelines set out by Cabinet in the Manual of Administration. One wonders what is the purpose of a Minister when a Ministry is run by the senior bureaucrats. One wonders how Doug Wiseman feels when even his laudable political assets become expendable in the new wave technology of Premier Davis. Is Doug Wiseman another Minister who was mugged in the corridors of power, in the best traditions of Jim Taylor?

Report from Parliament

Bill Scott, M.P.

In July, the new Lindsay-Peterborough telephone book was issued. When I first received our copy of it, I decided I needed new glasses. When the print in the phone book begins to be hard to read something must be wrong.

Since then, I have received copies of petitions from several townships and several senior citizens service agencies directed to Bell Canada regarding the new smaller print size in the '83 book. I contacted the Peterborough office of Bell Canada and asked them what they planned to do about this problem. Their response was that they have converted all phone books in the Ontario region to this smaller format at a cost savings of about four hundred thousand dollars. They did promise, however, to forward my complaint to their Head Office.

On Tuesday, September 20, I had the opportunity of bringing this problem to the attention of the Minister of Consumer and Corporate Affairs in the House of Commons. Here

is the text of my question and her response. "Madam Speaker, my question is for the Minister of Consumer and Corporate Affairs. I have received copies of petitions from the Townships of Somerville, Anson, Hindon and Minden, Fenelon, Verulam, and many others. They deal with the new print in the 1983 Bell telephone books for the Lindsay-Peterborough area. Will the Minister speak to Bell Canada and ask that company to assure her that this print will be larger so citizens can read the directories? I hope this matter comes within her Department."

Hon. Judy Erola (Minister of Consumer and Corporate Affairs): "Madam Speaker, I am not at all sure that it does, but I will certainly take the matter under consideration and look into it immediately."

I do not know what results the outcome of her investigation will produce, but I am hopeful that she will at least discuss the problem with Bell Canada before the next book is printed.

From the Chamber

by Frank McCarron

Every day we have more and more telephone calls inquiring about the fall colours in the beautiful Highlands of Haliburton. It is such a pleasure to be able to report to people that possibly we might even have some colour left Thanksgiving weekend this year. They are so surprised to find that the colours are lasting this year. In many ways it is only a result of having had a long and wonderful summer.

Any organization that has any special events coming up in 1984 should contact the office immediately. We are currently collecting events for 1984 for inclusion on the side of our shopping bags. We would like to have as many events as possible for the side of the shopping bags for 1984. We are also attempting to get the bags out in reasonable time for 1984. Unfortunately, due to the great number of events happening in our county some editing of them must be done to allow us to get the events on the side of the bag.

Rhonda Elstone, George Schmid and myself were very pleased to be invited to a meeting of the Minden Area Tourist Association last Thursday night. The session was very productive for both the Chamber and M.A.T.A. From the high level of interest shown it is quite evident that we should have no difficulty in getting a director or two or three to run at the annual meeting On October 19 from the Minden area.

Speaking of the annual meeting you should make plans for October 19. On that day we will be offering one of the best annual meeting programmes ever run by the Haliburton Highlands Chamber of Commerce. In the afternoon we are running two fascinating seminars, one on What You Can Get Out of Canada Post, and explanation of services offered by the Post Office. The other afternoon seminar is one run by the Bank of Montreal on what kind of commercial banking services are available to corporations these days. In the morning we have Dave Blenkhorn from Wilfrid Laurier University to talk on "Quality Counts - Lessons from the Japanese." Starting off our day will be a panel discussion. At lunch time we will be showing a tourism awareness film from the Ministry of Tourism and Recreation. In mid-afternoon we have our annual meeting which is free to all Chamber members which will be followed by table topics, an opportunity to see and talk to office and business equipment manufacturers and retailers. In the evening we have the banquet which features the presentation of the Highlander of the Year Award as well as what will prove to be a fascinating chat by John Hope-Johnstone. This will be followed by dancing. All of this can be done for \$35 per person which is tax deductible.

October 1 is your last chance to participate in the 1984 Harvest Festival, sponsored by the Haliburton Highlands Chamber of Commerce. On October 1 Haliburton Village is the place to be as

they hold "Over 'Ome Day." Featured entertainment will be by The Good Companions, a fantastic English Music Hall cabaret type group. There will be many audience participation events throughout the day as well as good food and drink. Passports are available from Haliburton Highlands Chamber of Commerce office as well as from locations in Haliburton such as Varty Jewellers, Blacks Hardward and Stedmans. Passports are \$5 and will admit you to the day.

Continuing until October 1 at the Rails' End Gallery in Haliburton is the Fingering Fibres exhibit. If you haven't been to this fantastic show of hand made knitted and crocheted items of clothing and accessories then you are rapidly running out of time. All objects in the show are made from fibrous material and it is truly an interesting show and well worth seeing. The Gallery is open from Tuesday to Saturday, 11 to 5.

On October 2 at Bill's Hills near Wilberforce there will be an amateur hillclimb. This event will get underway at 12 noon with spectators paying \$5. Entry is limited to the first 50 bikes to enter. There is limited free parking on the property, and other parking is available nearby at only \$2. Entry fee for bikes is \$15. As well as all the excitement of hillclimbing there is camping available on the site for participants only. Further details can be obtained by calling Bill's Hills at 448-2924 between 8 and 10 p.m.

On September 29 the Agnes Jamieson Gallery at 6:30 p.m. will be the official opening of the Karl Illini show. Mr. Illini is an innovative and versatile artist who works in such media as slate carvings, watercolours, acrylics, oil paintings, pen and ink, copper etchings, drawings and tangential prismatic. His work has been on display in many galleries throughout Canada and the United States and has won numerous prizes and awards. In addition his work is found in many private and corporate collections in Canada, the U.S., Europe and Japan. This show should be well worth seeing. The Gallery is open from 10 to 5 daily.

On October 2 at the Haliburton Legion Hall the Haliburton Figure Skating Club is holding their annual turkey dinner from 4 to 6 p.m. Tickets are \$6 for adults, \$3 for children 12 and under.

real estate business?

Monmouth Council says the recreation budget needs the money. Are we in the red? If so, let's start raising money. For sure the Tory Hill Community Centre needs new siding to complement its stunning interior face lift.

Perhaps council was a little short sighted in installing lights in the ballpark before the Tory Hill Centre was entirely updated. Nevertheless if money was raised for the lights, surely more can be raised for the Tory Hill centre without the township having to hack or sell off its possessions.

A word of advice to our council. Perhaps a bit more forethought and long range planning could prevent further embarrassments...so...that when and if lights are placed on the tennis court, a for sale sign doesn't have to appear on the library.

Yours truly,
Rodney Bowen

A competitor in the women's kayak competition shoots the falls on the Gull River Sunday afternoon during the provincial canoe and kayak Champion-

ships. Scores of spectators lined the banks of the river to watch the action in this fast, exciting and physically demanding sport.

Huskies beat Huntsville in opener

Haliburton Huskies opened their exhibition games with Huntsville Saturday night in a very impressive manner.

In the first period Haliburton applied pressure on the Huntsville team and at the 8:15 mark Scott Arbuthnot scored from Kevin Hamilton and Jeff Stamp. Then at 10:06 it was Arbuthnot again from Scott Rae and Drew Bishop.

At 13:17 Glen Evans made it 3-0 on a pass from Jeff Stamp.

Starting the second period, Huntsville came out roaring and at 2:47 they scored. Haliburton came back at 9:57

when Doug Schell scored from Tony Scheffee and Tran LaRue. Huntsville came back and at 10:49 made the score 4-2.

The third period saw Huntsville narrow the gap to 4-3 at the 5:56 mark but Haliburton took over with four straight goals. At 6:15 it was Jeff Smith from Scott Rae, then at 7:12 Drew Bishop scored from Tran LaRue. At 9:01 Drew Bishop tallied on passes from Glen Evans and Arbuthnot and at 9:44 Jeff Smith put one in from Bernie Upton and Jim Lee to put the game out of reach.

Huntsville scored at 12:05 and the game ended 8-4 for

Haliburton.

It was a chippy game that saw Haliburton called for 19 minor penalties, while Huntsville was called for 16 infractions.

The Haliburton team showed speed and aggressiveness and should provide the fans with some very exciting hockey as the start of the regular season approaches.

Coach Darrell Stamp was pleased with his team's debut.

"I think the boys played quite well," he said. The Huskies looked particularly solid on defence, and Stamp speculated that the team could have one of the best defences in the league.

At the moment the Hus-

kies have 20 players on the roster, and hope to keep that number throughout the season.

Efforts will be made to have Haliburton and Minden affiliated again this year, a move that would enable Minden juvenile age players to sign with the Huskies while Haliburton boys could play for the Minden team if they chose.

The Ontario Hockey Association approved the affiliation last year, and have been asked to do so again.

The Huskies will meet Huntsville again this week-end on the road.

The season opens October 7, with the first home game slated for Saturday, October 8.

Brock wears down Seniors, Juniors looking impressive

A tired Haliburton high school senior football team could not hold back Brock Bulldogs' attack in the second half of their match last Friday, and as a result, took a 19-0 loss to put their record at one and one for the season.

The Redmen played well in the first half of the game and held Brock the board, but in the second half, with seven men playing both ways, the Haliburton team was unable to contain Brock's offense.

Both teams moved the ball well in the first half, but neither was able to put a point on the board.

In the third quarter Brock

began to take the game away from the Redmen, scoring a touchdown early in the quarter, but missing the convert, then adding another unconverted major near the 45 minute mark.

The Redmen offense struggled to come back, but fatigue was a factor in the final minutes as the two-way players began to feel the effects of a long afternoon.

In the fourth quarter Brock engineered another touchdown on a 70 yard pass and run play, then added a single point conversion to cap a 19-0 win.

Juniors win

The junior game was an all

Haliburton show, as the strong Redmen team simply overpowered their counterparts from Cannington.

Neither team got on the board in the first quarter. Late in the second quarter, Mike MacNaull scored on a 10 yard run, and quarterback Trevor Powers was good on a two point conversion attempt to give the Redmen an 8-0 margin at the half.

Un the third quarter the Redmen continued to dominate, stopping Brock short and then putting together a drive that ended when Trevor Powers held onto the ball and ran into the endzone from five yards out. Len Johnson's convert attempt

was blocked, leaving the score at 14-0 at that point.

The Haliburton boys completely dominated play in the fourth quarter, adding six more points when Mike MacNaull capitalized on a 20 yard sweep play.

Two other Redmen touchdowns were called back during the quarter, one because of illegal motion and the other as a result of a miscue that put too many men on the field.

Final score was 20-0 for the Junior Redmen.

Both teams will see action at home this Friday beginning at 2 p.m. against Fenelon Falls.

MNR asks hunters to spare ducks

The Ontario Ministry of Natural Resources, in co-operation with the Canadian Wildlife Service, is appealing to duck hunters this year to voluntarily reduce their killing of black ducks, in an attempt to stem a serious population decline within the breeding population.

Natural Resources Minister Alan Pope said that while new regulations which would reduce the Ontario kill of black ducks are not planned for the upcoming harvest season, they are being considered for 1984.

"I want hunters to be aware of the black duck issue," Pope said. "The more co-operation we get in 1983, the better prepared we will be to draft new regulations - if they are deemed necessary - that are most sensitive to hunters' needs."

Black ducks are found in eastern North America. Since 1955, their numbers have declined by approxi-

mately 60 percent. In Ontario, the number of black ducks killed by hunters has dropped more than 25 percent since 1968 - from 119,000 to 88,000 in 1982. Counts of breeding pairs of black ducks in the province further confirm dramatic population reductions.

Reasons for the decline in Ontario, Pope said, may include deterioration of breeding habitat, loss of wintering habitat, cross-breeding with mallard ducks and hunting mortality, particularly among immature ducks.

The minister urged hunters to avoid shooting black ducks and to take other species instead.

"In preparation for possible changes in 1984," he

said, "hunters should pay particular attention to developing their skills at identifying black ducks and distinguishing them from other species."

Pope suggested hunters learn to distinguish the black duck from its close relative, the mallard.

The black duck has a very dark body and upper wings, with contrasting white on the underwing. Mallard ducks have lighter brown bodies, the same contrasting white on the underwing, but two distinct white lines on part of the upper wing.

In the United States, regulations aimed at reducing the black duck kill by 25 percent have been put into effect this year.

"Ontario is a member of

both the Atlantic and Mississippi Flyway Councils," Pope said, "and we will be working closely with our U.S. counterparts in establishing and maintaining continental management objectives."

"For the time being, however, we would like to achieve a reduction in the kill of black ducks in this province by calling on the hunting community for their co-operation and advice, of better breeding and harvest surveys."

"I would urge all sportsmen to contact offices of my ministry or the Canadian Wildlife Service with their questions or views."

"This kind of communication, I believe, is the best way to achieve our conservation objectives."

Falcons lead bowling

By JOAN ALGER

The Falcons are in the lead with 12 points in the Wednesday Afternoon Bird League.

Scoring over 200 were Gordon Bennett, 224; Mary Lou Bird, 234; Jim Grant, 215 and 220; Garnet Fagan, 217; Mary Woodcock, 255; Iris Meredith, 229; Harry Henderson, 259 and 279; Dorothy Baker, 270; Joan Brown, 218; Vi Cornish, 213. Ladies high single flat -

Dorothy Baker, 270. Men's high single flat - Harry Henderson, 279. High single triple flat - Dorothy Baker, 638. High single triple flat - Harry Henderson, 727.

Last week's scores over 200 were: Gordon Bennett, 206; Betty Bennett, 228; Laura Carnegie, 214; Harry Henderson, 216 and 219; Sybil Hunt, 207; Kay Barry, 223; Mary Woodcock, 206 and 215; Mary Parozinin, 221.

Senior curler host Minden

By GLADYS REID

Haliburton Seniors Curling Club under the presidency of Jim Holmes hosted their peers from Minden last Wednesday with golf and a barbecue.

In spite of the inclement

weather the golfers were out on the links and turned in some fine performances.

The Minden Curlers proved they were as good on the greens as they were on the ice and walked off with

HHSS soccer squads are doing well

Haliburton high school's junior and senior soccer teams are proving to be worthy adversaries to other teams in the Kawartha West league. The local boys have shown solid ability to put the ball in their opponents' nets in a game where a single goal margin often decides the match.

The Seniors opened the season two weeks ago, September 14, with a 3-1 victory over I.E. Weldon secondary school in Lindsay. Scoring for HHSS were Tim Wood, Jeff Smith and Chris Laporte.

The teams met again last Wednesday in Lindsay and once more the Haliburton

squad overpowered their opponents, netting three goals while shutting out Weldon. Jeff Smith led the attack with two goals, while Ed Dupe also got one to cap a 3-0 win.

In Junior action last Wednesday, Lindsay just got by HHSS 4-3. Scoring for Haliburton were Barry Scully, Jeff Popple and Dennis McKee.

On Monday the juniors took on Bancroft, and this time they netted a 3-2 victory. Kevin Barry led the effort with two goals, while Barry Scully added another.

Both teams will see action again next Wednesday in Fenelon Falls.

Two competitors in the canoe class test their strength against the swift current of the Gull River on Sunday

during the provincial championships at the Minden Wild Water Preserve. The event is held annually.

OPP crack down on seatbelts set

Ontario Provincial Police have been told to crack down on people who do not wear seat belts.

In a directive to every OPP detachment, OPP Commissioner James Erskine said proper use of seat belts has a direct relationship to the seriousness of injuries in accidents. He told OPP officers that enforcement of laws demanding occupants of a vehicle wear seat belts has great potential for reducing deaths and injuries in traffic accidents.

Under Ontario legislation, the driver of a motor vehicle and any passengers 16 years and over may be charged if they do not use a proper seat belt assembly. The driver is also responsible for making sure that anyone in the vehicle above the age of two and under age 16 years wears the proper restraining devices.

Studies conducted in Ontario have found that the number of people wearing seat belts has declined drastically. After their use was made mandatory in 1976, the usage rate was 76 per cent. More recent studies by Transport Canada have shown that the present rate is about 49 per cent, a reduction of 27 percentage points.

"There are two ways of getting more people to wear seat belts," said Erskine, "enforcement and education. The OPP officers on traffic patrol will be increasingly vigilant in laying charges for these infractions."

The education side of the issue will be addressed by OPP Community Services Officers, who will emphasize the use of seat belts whenever they talk to community and school groups through the province.

Cardiff minutes

authorized to have Ursula Cooper do necessary appraisals on municipal properties as the need arises.

A by-law to constitute and appoint a committee of adjustment for the Corporation of the Township of Cardiff was read a first time, read a second and third time, passed, signed by the reeve and clerk, sealed with the corporate seal, numbered By-Law 22-83 and engrossed in the By-Law Book.

A by-law to establish a planning advisory committee, to establish its membership, functions and administration was read a first time,

Curlers meet

from page 6
most of the prizes.

The Haliburton Golf Club donated some of the prizes for this, the first of an annual event planned for the two clubs.

The golfers coped admirably with the weather but the outdoor chefs were understandably worried on how to cook a hundred or more hamburgers in the rain. Fortunately the weather cleared in time and everyone enjoyed the food immensely.

Jim Burton of the Minden Club thanked the Haliburton Club for its hospitality and assured them the Minden Curlers would be back next year.

read a second and third time, passed, signed by the reeve and clerk, sealed with the Corporate seal, numbered By-Law 21-83 and engrossed in the By-Law Book.

A by-law to prescribe a tariff of fees for the processing of applications made in respect of planning matters was passed.

The Township of Cardiff requested an extension of the deadline for submission of the municipality's official plan to the Minister to January 31, 1984 in relation to the approved community planning grant.

A by-law to authorize the treasurer to strike taxes from the Collector's Roll under authority of the Municipal Act, R.S.O. 1980, as amended, Section 496(1) was passed.

The road superintendent was authorized to purchase two loads of ice salt from Canadian Salt Co. for winter control or Domtar Group, whichever is the lesser price. Council adjourned to Committee of the Whole Council.

Council rose from Committee of the Whole and resumed regular session.

The next regular meeting of Council is scheduled to be held on Friday, October 7, 1983 beginning at 7:30 p.m.

Dysart et al council minutes

At a regular meeting of the Dysart Municipal Council, held in the Council chambers on Monday, September 12, 1983, the following matters were considered:

Minutes of the meeting of August 8 and August 22, 1983 were adopted as per circulation.

General Accounts totalling \$58,518.96, Road Accounts totalling \$82,393.86, and Social Services totalling \$9,655.54, were approved for payment.

Lloyd Leadbeater, Sid Cooper and the Clerk-Treasurer will investigate the purchase of a computer for the Municipal purposes and report to Council with a recommendation by November.

The offer of Larry Hewitt for an Industrial Lot, Robertsons Side Road, was accepted and the Reeve and Clerk will arrange the legal transfer of the said lands at the earliest possible date.

The Road Superintendent will arrange to strip the pit in preparation for crushing at Haliburton Lake, costs to be split 50/50 with Price Yards.

The Tender of Ormell Sand and Gravel for crushing 20,000 yards of Pit Run "A" Gravel, 5/8" Screen, 60% Stone at Haliburton Lake was accepted. Crushing is to begin October 3, 1983, and be completed at the earliest possible date, all costs to be charged to Reserve #1. Funds for Price Yard crush are to be guaranteed through Bishop and Rogers.

Council concurred with the recommendations of the Ministry of Natural Resources reference retaining walls, Pt. Lots 18 and 19, Concession 3, Havelock, provided Mr. Keffer, Mr. Farrell and Mrs. Brown construct the walls in accordance with those guidelines provided by the Ministry.

Council concurred with the recommendations of the Ministry of Natural Resources re: Proposed Filling, fronting Part Lot 26, Concession 4, Guilford Township, by Nicholas Lehoczy.

Council concurred with the recommendations of the Ministry of Natural Resources re: Retaining Wall, Pt. Lot 14, Concession 4, Harburn Township, provided

Alfred Labonte constructs the wall in accordance with those guidelines provided by the Ministry.

Council concurred with the recommendations of the Ministry of Natural Resources re: Proposed Filling, fronting Part Lot 26, Concession 4, Guilford Township, by Nicholas Lehoczy.

Council concurred with the recommendations of the Ministry of Natural Resources reference proposed dredging, Haliburton Lake, fronting part Lot 11, Conces-

sion 6 and Lot 13, Concession 5, Harburn Township, by Mr. Mickelborough.

Council did not support the application for minor variance by Donald Young and recommended that the application be rejected by the Committee of Adjustment.

Larry Breckles was granted permission to open the Township Boundary between Guilford and Havelock between County Road No. 7 and Little Redstone Lake. He is to abide by the Township policy in this regard.

Council concurred with the recommendations of the Ministry of Natural Resources reference proposed dredging, Haliburton Lake, fronting part Lot 11, Conces-

Ministry of Natural Resources re: Decking for unauthorized Dock and Breakwater, fronting Part Lot 28, Concession XI, Guilford Township, Redstone Lake, by Gus Debernitz.

James Stewart will be advised that his accessory building must be relocated.

Council concurred with the Township of Fenelon re: Bell Canada Telephone Books; that because many complaints have been received, consideration be given by Bell Telephone to enlarging the characters of the next issue of telephone books or

Companions wanted

Introduce your oil furnace to add-on electric heat and introduce yourself to substantial oil savings.

Kissing that old flame goodbye isn't the only way to reduce your oil consumption. If that oil furnace is still in good shape, you can take advantage of converting to a dual energy heating system.

Instead of replacing your furnace, introduce it to an electric plenum heater, heat pump, electric boiler or baseboard heaters. These dual energy systems let oil and electricity work in harmony to heat your home more efficiently and more economically. Operation is simple. The electric system works until the coldest winter days, then your oil furnace automatically takes over.

In most cases, add-on electric heat will reduce oil consumption by up to 75%. Even more in some cases. And a reduction of that magnitude can make a dramatic difference to the total cost of heating your home.

The Plenum Heater

The "plenum" is the warm air chamber at the top of your forced air oil furnace.

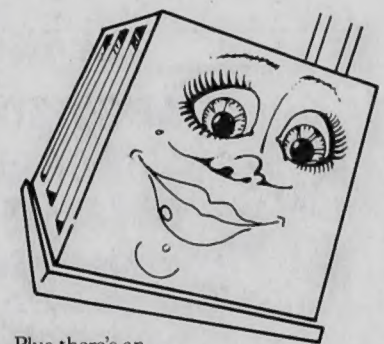

That's exactly where a plenum heater is installed. So that on most days, the fan circulates more economical, electrically generated heat.

The Heat Pump

Even on cold winter nights, there is still warmth in the outside air. Just like a

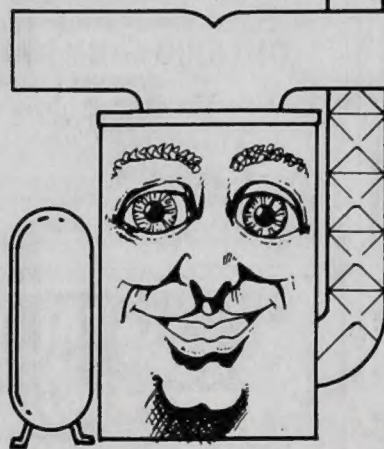

refrigerator, the heat pump extracts that warmth and pumps it into your home.

Plus there's an added bonus. In the summer, your heat pump works in reverse and becomes a central air conditioner.

The Electric Boiler

If you have an oil fueled hot water heating system, there's another alternative. You simply add an electric boiler.

It's no bigger than a small suitcase and can be easily installed.

Baseboard Heaters

Electric baseboards can also be used as a dual energy system. They're installed in individual rooms to quietly handle most of the heating load.

The Time is Right

Today is definitely the time to investigate the savings of introducing your oil furnace to an add-on electric system. The COSP (Canada Oil Substitution Program) grant will pay for half of the installed cost or \$800, whichever is less, on all systems where oil consumption is reduced by 50% or more.

To find out more about the benefits of a dual energy system, contact your local Hydro or electric heating contractor today and ask them about special assistance that could lead to even greater savings. And tell your furnace to get ready for a warm and meaningful relationship this winter.

ROOM AT THE INN

A long time ago as I was bedding down in Bethlehem's sleepy town,
Where I had gone to pay my tax, responding to an order of the crown,
Through my open window I was able to hear the keeper say: "There is no room, but there is this manger in my stable."

Then overhead a star so bright came nigh!
And I could hear a newborn baby's cry!
And choirs of angels singing up on high!
And the silent shuffling of shepherds' sandals sliding by! Oh my!

I would have gladly given up MY room
Had I known the Saviour was coming so soon
To set men free! Honestly!
But nobody asked me!

Jean Goff
Gooderham

TO APRIL

Little blue sunbonnet bobbing along,
Thin little voice in an off-key song,
Little snub nose and wide, wide smile,
"Hi, grandma, I've come to visit a while."
Dear little granddaughter, little you know,
Of the joy that you bring with your happy hello.

So to the parlour, we sit and we chat,
Nothing spectacular, just this and that.
A name for her doll and what brother has done.
It could be anything under the sun.
Out come the cookies, the milk and the tea,
All of the best for the best company.
Then much too soon she must bid me adieu,
Little arms tight send my glasses askew.
A kiss and a wave as I watch her depart.
Dear Lord keep her safe, for she carries my heart.

Jean Brown
Haliburton and Toronto

USED TO BE

Gaunt and gnarled and leafless,
Dead branches stretching high,
The once so stately elm tree
Stands framed against the sky;
Somehow I see true grandeur in that old and wizened tree,
And picture the graceful beauty of the tree that used to be.
I see its leafy arms spread out, umbrella to sun and rain,
And remember picnics years ago, and I'm a child again.

Then I see an old, old man sitting in the sun,
And think of my dear father as he was when I was young;
The hands so gnarled and twisted,
Were then so straight and strong,
The voice that's now so feeble
Was often raised in song,
The back and shoulders now so bent
Were straight as a sturdy tree,

A bugler from Bancroft sounds the last post at the official dedication of a cenotaph in Wilberforce on Saturday. Representatives from Legion branches in

the surrounding area took part in the ceremony, which included a parade, speeches and the laying of wreaths.

Gooderham News

By MARY HADLEY

A Calico Christmas workshop with a selection of ideas and patterns for such things as ornaments, wreaths, stockings and bows will be held at the Community Centre November 17 from 7:30 to 10:00 p.m.

The \$15 fee included a \$5 pattern package which can be taken home. Students should bring the basic sewing supplies. Kathleen Copeland-Nyberg will be the

instructress.

It is necessary to register ahead of time to insure sufficient numbers to allow this course to be given.

Anyone interested in this project should register early at Sir Sandford Fleming College, Box 339, Haliburton.

In last week's paper it was reported that Ted Stansbury had been interred in the Glamorgan Cemetery. The name should have read Fred Stansbury. I am sorry for the error.

Beatrice and Howard Hillis celebrated their silver wedding anniversary September 17 at the home of Mr. and Mrs. Albert Merritt on Stormy Lake. This was a surprise party given by their family and friends. The bride and groom of 25 years re-

ceived many gifts and a happy time was enjoyed by all.

Congratulations to a popular couple and best wishes for many more happy years together.

We are pleased to report Please turn to Page 9

Senior League

By BERT HARRISON at Hyland Crest Home

Monday morning was a lovely morning after much needed rain. It makes one feel life is worth living again.

The chapel service Sunday night took on a different twist, with Harold and Ruth Thompson there to assist. In Acts seven and three it says "get thee out of the country and thy kindred and come into a land that I will show thee". Well, Rev. Burgess and his wife Mary heeded that call, went to Africa, where they ministered for 20 years and gave them their all. Rev. Burgess showed slides of their work there and how they gave to them their loving care.

Now that Doris is back with us once more Linda shows us movies Monday night as she often did before. Our girls bring these movies us to entertain, few come down to see them, I think it is a shame.

Tuesday morning, James Cooper from Beech Lake on this lovely September day took the service in the chapel while Rev. Westhaver is away.

Doris Robertson's ball team won the trophy over all, isn't that just grand? Don't you think they deserve a real big hand?

We had relatives call on us all the way from Schreiber which is a long way you see, Wray Sisson and wife June and sister Marjorie. Della

Curry had a real surprise this twenty first September day. Her sister-in-law and husband Dr. Butler came from Alabama which is very far away but that wasn't all, a nephew she had not seen for five years, came on her to call. Then came her son Fred

Greer and wife and two sons Jim and Joe, up to Fred's cottage at Haliburton Lake they all did go, had lunch and a real nice visit and we are wondering when they can all get together again.

Now it wouldn't be fair if I didn't tell about Winnie Johnson rocking in her new rocking chair. This was a gift from her son Bill. He knew it would give his mother a real thrill.

It is always music time here on Tuesday nights. It takes Thelma Watson and Al Smith to do the job up right. They play grand music and we all look forward when it will be their turn to play for us again.

The ladies are working in the craft room, Mary Oliver putting things together. She just works away she says, no matter what the weather. Angus Coulter works five days a week, (that is if he is able) re-finishing all kinds of things like chairs, cabinets and tables.

Down at fun and fitness, different games we take on, the game we played this morning was won by Doris Vaughan.

The A.C.W. ladies from Kinmount brought in a tasty lunch this Thursday, served it up so nicely while Kenneth Hymans fine music he did play. Then after we had a real good sing, we thanked them for coming, much pleasure they always bring.

Gerald Welch and wife Jean have been welcome guests of Mrs. Don James while visiting his mother and aunt here at Hyland Crest. Gerald joined the army at age eighteen and spent four and a half years overseas along with many others; had some very close calls but

Information Centre

by Ruth Foster

As fall sets in, our thoughts will be turning not only to how to heat our homes but also, how to keep that heat in our homes.

Fiberglas Canada Incorporated has now introduced the "Energy Efficient Home." As you may have seen on their television commercials the R-2000 has landed!

The R-2000 Super Energy Efficient Home is designed to allow the occupants to use as little energy as possible without compromising their lifestyle or the comforts they have come to expect. The R-2000 home can, compared with the average home, cut the costs of your space heating by 50 to 80 per cent.

This is done by airtight

construction techniques, energy efficient heating equipment, appliances and lighting systems as well as insulation.

Fiberglas Canada Incorporated advised us that existing homes cannot be converted to an R-2000. Therefore, only newly constructed homes can be this energy efficient. This home can be modified to your specifications and details should be worked out with your contractor. So, for further information on the R-2000 home call us at the Haliburton County Information Centre our number is 457-2733. Or drop-in to our office, we are located at the Drag River Municipal building in Haliburton and we are open

Monday through Friday, 10:00 a.m. to 4:00 p.m.

May we remind you that we have "Still On Oil" pamphlets in our office. This entitles you to receive up to an \$800.00 rebate by either cutting your oil bill by at least 50% or, totally converting from oil to an alternate heat source.

With all this in mind we hope you will also remember, that you will never know the answer until you ask the question.

When you are cooking on top of the range, turn pan handles toward the centre or back of the range so you can't accidentally bump them and spill the contents.

Happy Gang News

By THE HAPPY GANG
Monday, September 12 to Friday, September 16:

Jan Shipley arrived Monday morning for choir practice. We gathered around the piano to sing while she played. Jan has been with us for quite awhile and we really enjoy her talent. In the afternoon Lillian Hague and Amelia Sibley assisted us with the quilt and clowns that we're making. It won't be long till we start selling tickets on the quilt.

June Devolin arrived Tuesday morning for Bible Study. This was her first morning back as she was on holidays for the summer. After Bible Study she went around and visited with each and every one of us. Thanks June, we are glad to have you back.

Ivy arrived Wednesday morning with the Hyland Crest bus to take us to the Curve Lake Indian Reserve. When we arrived we had lunch outside on picnic tables where we could see teepees on the lawn. Inside we saw the beautiful art of the Indians and some of us even purchased items to bring home with us. The weather was great and we had a delightful day. Along with the Happy Gang came Herina Lynne, daughter of Ethel Lowes; Anna Marie Sicoli, our new volunteer; Sandra Johnston, staff member; and Mimi Carson, daughter of Dorothy Hegarty. Thank you for making our day so pleasant.

Thursday afternoon we gathered together in the craft room to bake the birthday cake for next week's birthday party. We decided on a pineapple cake which turned out beautifully.

John Phillips, Anglican Minister came in Friday for Devotions and we enjoyed movies in the afternoon.

Monday, September 19 to Friday, September 23:

Vice-President Ron Pearson called the Resident Council meeting to order on Monday morning. Minutes of the last meeting were read by Jack Pollard and new business was discussed. In the afternoon Kay Walker, Ethel Lowes and Beryl Morrow modeled clothes for

the fashion show. These clothes were from Comfort Clothing in Toronto and are specially made clothes for nursing homes.

June Devolin was in Tuesday morning for bible study; her message for this week was saying "thank you." Thank you June, we enjoy your messages each week. Bingo was held in the afternoon with Jim Allen and Ralph Pasquino calling out

the numbers (or should we say laughing out the numbers), anyway, fun was had by all.

Wednesday Hazel Parish, Harold McKelvey, Ethel Lowes, Alice Hartle, Kay Walker, John Sisson, Ron Pearson, Jack Pollard, Shirley Frost and Beryl Morrow went to Locarno for a delicious lunch of stew, beans, potatoes, roll and jello with whip cream. Thank you

Les Hughes, Mary Hannah, Dorothy Baker and Ivy for driving us there and back.

Thursday we had a birthday party for Dorothy Hegarty, Flora Hotte, Ethel Lowes, Ethel Fader, Edgar Long and Harold McKelvey. Marilyn Stouffer sang while Betty Salvatori played piano. After the singing the pineapple birthday cake was cut and was enjoyed by all.

Friday devotion was held by Rev. Woods and films were enjoyed in the afternoon with Ray Smith running the projector.

Harold McKelvey, Ray Smith and John Sisson got the shovel busy digging the begonias out of the flower beds. They are all still in bloom and we are hoping to make a nice arrangement in the lounge.

Dysart council minutes

from page 7
returning to a four column page since people are finding the present issue most difficult to read.

One hundred tons of Highway Bulk Course Salt will be ordered from Domtar (Sifto Salt Division) at \$26.04 per ton delivered.

Wayne B. Wood and Dorothy Wood were granted permission to open Mountain Street between Spruce Street and Eastern Avenue as a private road, to gain access to interior lots in Blocks J and E, Town Plot. Mr. and Mrs. Wood are to abide by Township policy in this regard.

The application for Amendment to the Zoning By-Law by W. Everitt's Enterprises Limited was approved provided the application is revised to rezone the extractive industrial area

only and provided the applicant enters into a site plan agreement with the Municipality.

Senior League

from page 8
came through with flying colours. While in Cobourg he is taking part in a reunion of the battalion he went overseas with and his mother was really proud of all this.

Friday afternoon was too cold for a boat ride so our girls said they would take us

for a bus ride instead. So we climbed in the bus and were told to keep our seat. We had Mike our cook along which was a real treat. He thought we kids would get hungry and need something to eat. We headed out and south did go, relaxed we all did feel, we never worry with Doris at the wheel. We had lots of

help to keep us in line, down through Cobocok, Norland we had a jolly time. We were treated to ice cream but didn't have any luck locating any baby ducks.

I think I'll close my letter now, I've nothing more to say, except please watch for colour as it turns from day to day.

Gooderham News

from page 8

that Bruce Staley is recuperating nicely following surgery at St. Joseph's Hospital, Peterborough.

Margaret and Dallyn Pickens have returned after spending a holiday in Thunder Bay at the home of their daughter, Christena, her husband, Tom Harkness, and their grandson, Jamie.

An informational meeting describing the Rural and Native Housing Programme was conducted on Friday evening at the Glamorgan Community Centre by Tom Morrison, Housing Development Officer of the Peterborough branch of Canada Mortgage and Housing Corporation. Mr. Morrison explained application and eligibility details to the 35

people present but admitted that at this point he was unable to ascertain exactly how many homes would be built or how much financial assistance would be available for the four counties under his jurisdiction. Interested people are encouraged to pick up application forms at the Glamorgan Township Office, or, if preferable, contact can be made directly with Mr. Morrison at CMHC, P.O. Box 689, Peterborough, Ont. K9J 6Z8. Phone no. 705-743-3584.

Last Wednesday there was another exchange of 200 books at the Glamorgan Public Library. There was some excellent new fiction and non-fiction.

In the non-fiction category

an interesting book on the subject of the smallest, most mysterious of all microorganisms that affect humanity - viruses. In this book are six great medical detective stories.

Among the biographies is the story of Robert Burns, the great Scottish poet - the man, his work and the legend.

In a different type of book called "Firehouse" we meet the firefighters, the unheralded heroes of our time. We see all facets of these men and their work through the camera's eye.

In "Ottawa-Our Nation's Capital" you will find beautiful photography which shows the delight Rudi Haas has found in this beautiful city.

Perhaps the most unusual book in our exchange is "The Dictionary of Imaginary Places" - Shang-Li, Oz, Ruritania, King Solomon's mines - the very names evoke wonder and longing.

Throughout the ages, writers have created an astonishing diversity of imaginary places; worlds of enchantment, horror and delight.

Come in and browse around through our exciting new fiction too.

But long having borne life's burdens,
Content now to rest is he.

Though neither tree nor man can serve,
Or be as they used to be,
Still I look on them with fondness
For the memories they rouse in me.

Wilberforce News

The dedication of the war memorial in Wilberforce on Saturday, September 24 was a dream come true for members of the Wilberforce Legion Branch 624 and their Ladies Auxiliary. It had taken months of planning and was finally accomplished through comradeship and team effort.

The members had long been aware of the need for a cenotaph. A place where the public could join them as they paid homage to fallen comrades.

President Harold Dingley designed the monument. A suitable area was designated by the Township Council. The project was funded through contributions from Legion members and from community donations.

Work began early in July. With great enthusiasm the men prepared the site and the foundation was laid. Constantly on the job were Ron Buxton, Legion secretary, Harold Floden, who also served as fund-raising chairman, Frank Piper, a Bowmanville legionnaire who became interested in the enterprise and who spent his summer travelling back and forth and working at mortar mixing, and Paddy Welsh who contributed his fine stone setting technique. Buxton and Floden did the pointing out work on the stones. Pat Gallen was the man who was forever on the run doing all the necessary odd jobs that turned up. Among other members involved were Harold Dingley, John Jackson and Walter Klapow.

Beneath the memorial a capsule had been placed containing the names of men from Haliburton County who gave their lives in both World Wars. Some coins were added and an historical write up of Wilberforce as it is today.

The dedication on Saturday began with a short service in the arena. Several legions were represented including Bancroft, Lindsay and Haliburton. This made

for a colourful parade with all flags flying. The Bancroft Pipe Band provided the marching music. The Wilberforce Girl Guides and Brownies represented the youth of the community. The parade ended, with all assembled before the Cenotaph which was draped with a Canadian flag. This was removed to reveal an inscription to the honour of the slain heroes of two world wars and the Korean war. A laying of wreaths took place. A helicopter added a military note as it flew back and forth.

After the service there was a parade to the arena where a short program took place with speeches from visiting Legion officials, from our Reeve Keith Tallman and from Federal and Provincial representatives.

A large number of people later attended the Legion Hall whose exterior had been greatly improved with new sodding on the lawn and a leveling of the parking lot. Very impressive is an anti aircraft gun placed in front of the hall. This was once mounted on a corvette and is a gift from Mr. Hatch who owns a summer home on Cardiff Lake.

Within the hall visitors found that a delicious dinner had been prepared by the famous cooks of the Ladies Auxiliary.

Youth in Action, the popular club for our young people, will recommence on October 3. For newcomers the club meetings take place every Monday evening at the Memorial Centre. There is no charge. Here is the calendar for October:

October 3 for those 12 years and over; October 10 for those under 12; October 17 for teens or over 12's; October 24 for those under 12; October 31 for teens. It is a good group to join. For further information call Wayne Rutter, 448-2566.

If you have read all the books in Monmouth Library you will be happy to hear that there has been a book exchange so come in and find out what has arrived.

This cenotaph, built by members of the Wilberforce Legion Branch 624, stands beside the Lloyd Watson Memorial Centre, and was officially dedicated last Saturday. Built into the structure are the names of the men of Haliburton County who were killed in both world wars.

Carnarvon News

The sympathy of the community is extended to the family of the late Dr. Hilliard Varty, who had spent many summers here. Mr. and Mrs. Jack Gregory and Mr. and Mrs. Ron Fennell attended the funeral on Monday.

Mr. and Mrs. George Cowen have been here a few days having some work done on their cottage.

Mr. and Mrs. Max McKay have been visiting interesting places in the Georgian Bay area. Mrs. Mildred Archer is on a senior citizen bus trip.

Congratulations to Carol Watt, daughter of Alice and Allan Watt of Redondo Beach, California. Carol received her Ph.D. in August from the University of

Oregon. She is the granddaughter of Sinclair and Mabel Russell.

Mr. Phil Renouf of Toronto was here for the christening at the Anglican Church on the 24th of this two granddaughters, Darcy Courtney Hume and Kendra Ashley Griffin.

Mrs. Gwen Graham was here from Waterloo for the weekend.

Norland Natter

By KELLY GRAHAM
Hi. Well, it looks as if summer has said her last good-byes. I don't know about you but I'm sure going to miss her.

To start off on a happy note: Congratulations to Heather Davis and Randy Greer who were married last Saturday, September 17. The wedding took place at the Norland Pioneer Baptist Church with Darlene Burns as the matron of honour and Kevin Davis as the best man. The happy couple will reside in Coboconk.

Congratulations to Shirley and Elmer Bowins on their 25th wedding anniversary, recently celebrated. Friends and relatives held a surprise dance at the Lion's Hall on Saturday, September 24. Since this had to be written before the party I will give you the details next week.

Here's a tip for all you flea market enthusiasts: there will be a yard sale on Saturday, October 1 on Balsam Lake at North Bay Drive, three miles west of Coboconk off Highway 48. Toys, furniture, and baked goods are all among the items for sale. In case of rain the sale will be postponed until October 2. I'd check it out - sounds like it could be one of the last sales of the season.

The winner of Shirley Harrison's latest Wintario ticket was Wilma Baldwin.

There was a home and school meeting on Wednesday, September 14. The main topic discussed was the school walk-a-thon on Saturday, October 1. The walk-a-thon is open to all students and is approximately three miles long. The money that is collected from sponsors will possibly purchase a second computer for the school, so if you are asked to contribute please give generously. If you would like to attend the next home and school meeting please contact Norland Public School for details on

the time and place. Congratulations to Brian Hough, former principal of Norland Public School; his wife Joanne is expecting a baby at the end of January.

The next film to be shown at the Pioneer Baptist Church is "Christian Fathering", on October 2 at 7:30 p.m. Call 454-8343 for further details.

Pat Watson, of Norland, recently returned home from a stay in Ross Memorial Hospital in Lindsay.

My sympathy to family and friends of Laverne Lywood, who passed away recently.

Some of you may have noticed the new township hall sign. The sign was a gift from the Coboconk Lion's Hall. They donated the sign because many of their members are from the Norland area.

As some of you may know my grandmother, Beryl Kipp is touring Europe (mainly Switzerland) at this time. Last Sunday, September 11 she called me all the way from Rome, Italy just to wish me a happy birthday! How could I not when I have a grandmother who is so thoughtful!

There will be an open house at Coboconk Public School on the evening of Wednesday, September 28.

Speaking of school, Mrs. Elizabeth Ackerblade, Kindergarten teacher at Norland Public School, has just finished a sick leave of approximately two weeks. Mrs. Ackerblade was suffering from tendonitis.

Several Norland and Coby residents are taking Ken Atkinson's Dancercise course in Fenelon Falls. The course runs for 12 weeks and the cost is \$48. Those who attended the first meeting say it looks to be lots of fun.

Here's some trivia for all those who pursue it: during 1982 Laxton, Digby and Longford had only one reported fire with a loss of

\$2,435. These figures are taken from statistics released last week from the Ontario Fire Marshall's Office.

The Fenelon Falls Secondary School Citrus Fruit Blitz is about to begin. If you are asked to purchase fruit please consider how low the prices are.

I've noticed that most of the town's male population has been hitting the duck trail. I hope the duck population can survive.

Remember last week I promised you all the details of the recent "Grandmother's Meeting"? Well, I have made "zillions" of phone calls and can't seem to find anyone at home who attended. If you could send along to me some of the prizes (verbally of course!) I would be much obliged.

The Coboconk Public School students will be selling chocolate bars during the month of October. Bars will be \$2 each. Now you can be sure that all the schools in the vicinity are once again in full swing - they're all planning fund raisers.

The show featured at the Highlands Cinema in Kinmount for October 1 and 2 is "The Road Warrior" (one show, 8:00, restricted).

The eucure scores for Thursday, September 22 are as follows: men's high - Tom Bowins; ladies' high - Joan Bowins; men's low - John Harrison, Doug Taylor (tie); ladies' low - Barb Tesky; lone hands - Debbie Chynoweth, Ziggy (tie).

Congratulations to Linda Janke, formerly of Norland, who is training as a radio dispatcher with the Lindsay Town Police.

Congratulations to Andy and Isobel Johnstone on their wedding anniversary.

The next teen dance will be on October 8 at the Norland Community Hall. It runs from 8:00 - 11:00 p.m. All youth from 8 to 18 are welcome.

Kinmount Korner

By MILLIE MOSS

Results of St. James eight and one half tables of euchre on Tuesday, September 20 were: ladies' high - Mary Phillips; ladies' low - Ruby Schell; men's high - Vi Cooke; men's low - Anthony Dymott; and lone hands - Flo Schlosser.

My apologies to the A.C.W. of St. John's Iron-dale. I received a phone call to write up their bazaar for Saturday, September 24 but as I've said, many times, I must have your items before Saturday of each week. This column for instance will be mailed on the same morning these ladies will be holding their sale so in effect I should have received your phone call before Saturday of the previous weekend, not the same week you wish your announcement to be known. I must have had my brain in last week when I accepted your item and for this, as I said, I apologize.

To interested parties: there will be a ladies' exercise and dancercise to be held at the Kinmount Community Hall from October 5 to December 7 from 8:00 p.m. to 10:00 p.m. In all, there will be a total of ten lessons with the fee set at \$15. Registration for these

classes will be October 5. On October 4 to December 6 there will be tumbling and gymnastics for little girls four years to twelve years of age. Registration time will be on their opening night, Tuesday, October 4. Regular times for these lessons will be from 4:00 p.m. to 5:00 p.m. and will also be held at the Kinmount Community Hall. For further information you may call your instructor, Eva Stender at 488-2194. It sounds like a lot of fun and a chance to become involved in your own participation.

Can you believe swarms of blackflies in late September? We certainly needed that rain though, with wells as they are. We spotted areas that were bone dry most of the summer and after last week's rain they are now streams.

Congratulations this week goes out to two ladies: Joyce Bacon who won \$33 in the Kinmount Legion 50/50 draw and Shirley Harris who was the bingo jackpot winner of \$170 on the fifty-sixth number, also at the Kinmount Legion.

Our best wishes and prayers go out for our sick friends: Sam Telford, Father Brooks, all the folks who have the throat infection

that's going around (me included), Shirley Harris who is now home but still could use good wishes, Ida Young, and anyone else in any way laid up at this time.

Sincere sympathy is extended to the young lad found dead at his home in Norland. Jason came back to Kinmount following a week-end in Norland a few weeks back, telling me of a new friend he'd made and now that little boy is in Peterborough undergoing an autopsy. May he rest in peace.

Bill and I were in Lindsay last Friday and it sure was a busy place partly due of course, to the big fair. Bill Jr. and Jason were there Friday evening.

No one called this week advising of birthdays but one I know of for sure is my own, one of many, on October second and to celebrate, Bill purchased a jogging suit for me so I guess that trotter in black you'll be seeing every morning will be this old girl.

Jason and I attended the movie "Annie" at Highland Cinema, in town, recently.

Anyone interested in cake decorating by a visiting lady at Pat and Elaine's Bake Shop? Give the girls a call at 488-2028 or drop into their

shop on Highway 121 between T.J.'s and the laundromat.

To the lady who asked for another "Newfie" recipe from my "Fat Back and Molasses" - here's one from the United Church Women - Seldom Come By, Newfoundland: "Cake Made In A Hurry" - 3 cups flour, 1 tsp. baking powder, 2 tsp. melted butter, 1 egg, 1 tsp. salt, 1 cup milk or water, 1 cup white sugar, 2 tsp. cream of tartar. Put all dry ingredients into a bowl and mix well. Make hole in centre, drop in egg, melted butter and milk. Beat all together 'til light. Bake in greased cake pan for 30 to 40 minutes.

Lonely Hearts? Try fasting. A woman who fasted for sixty-two days - to see if the stunt could be done; from hundreds of Scotsmen had letters of praise, and proposals from seventy-one.

With that I really do think it's time to close for this week. Remember our shut ins and if you can find nothing nice to say - say nothing. Stay well and read the Echo. 488-2353 is where I can be found.

Coboconk News

By SHEILA LAKE

The Happy Wanderers entertained at the Lindsay Fair on Thursday. This has become an annual occasion and many look forward to see our local celebrities. As always the singing was enjoyed and appreciated by many. The weather was fair, considering, and ideal for enjoying the fair.

Winners in the Seniors card games on Tuesday were as follows: Euchre: ladies' first - Jean Thompson, 75; ladies' second - Myrtle Lucas, 70; most lone hands - Myrtle Lucas, 4; consolation - Vina Neal; gents' first - Doug Taylor, 84; gents' second - Barb Walker, 73; most lone hands - Laurie Barkwell, 4; consolation - Isaac Lucas, 42. Bridge: first - Percy Crapper, 6260; se-

cond - Joan Taylor, 5720; consolation - Ruth Brown, 910.

Mr. and Mrs. Clinton Hirstwood and Christopher and Mrs. Cora Lake were visitors of Mr. and Mrs. Robert Lake and family at Stroud on Saturday.

Our sympathy to Jeanette Lywood and family in the sudden death of Lavern on Monday morning. Lavern and Jeanette Lywood used to operate the Head Lake general store, about five miles west of Norland, some years ago and are well known in the area. They made many friends among the summer tourists. Lavern's death was very sudden, and he and Jeanette had been planning on going to Florida for the winter. When one hears the ambulance siren, you wonder

who is going through sorrow and pain.

Mrs. Frances Nesbitt was a recent visitor of Lila Warburton at Minden.

Dale Switzer, down this way now from Dryden, where he was assistant pastor, was guest minister at the Faith Tabernacle last Sunday, and at the Wednesday prayer meeting. He will be the speaker for September 25 services.

It was with saddened hearts that we heard news of the 12 year old Fife boy's accidental hanging at Norland Wednesday evening. His dad was co-owner of Forest Echo Lodge some years ago. Our sympathy to his family.

From now on you will have to protect your flowers, etc. at night because those heavy frosts are about to be a part of our evenings. The old wood fire feels so good these evenings and early mornings.

Vandals entered the Anglican Church a week ago and managed to cause some havoc. Isn't it sad that a place of worship must be disfigured in any way. The vandals would do well to kneel in prayer, and try to make a worthwhile contribution to life.

WE'VE GOT THE HOTTEST FLOOR SHOW IN TOWN!

GMC S-15.
The complete line of compact Pickups and Club Coupes (gasoline or available new diesel) and S-15 Jimmys.

PONTIAC 2000 SUNBIRD.
Our largest front-wheel-drive family now offers more turbo models than any other carline sold in Canada.

BUICK SKYHAWK.
Trim-size elegance in our smallest Buicks. High technology makes it possible, high quality makes it Buick.

BUICK CENTURY.
Bringing together high tech and high value, six-passenger Century moves farther out front with new, mid-size, front-wheel-drive wagons (available late fall).

PONTIAC FIERO.
It's here, North America's only mid-engine production car ever, and the first two-passenger Pontiac. Non-rusting Enduraflex body panels help make Fiero unique. As well as exclusive. Only Pontiac's got it!

Buying or leasing,
come in for a test drive.

Never have we introduced such a total, all-encompassing lineup of cars and light trucks. Whatever you have in mind for '84, we've got it for you in great style. Looking for economy with flair? We have Acadian and Pontiac 1000 hatchbacks, five-passenger Buick Skyhawks and the most models ever of Pontiac 2000 Sunbird. You name it, we have it!

Subcompacts, compacts, mid-size and full-size Pontiacs and Buicks, sporty cars, family cars, personal luxury cars, a full range from two-passenger Fieros to eight-passenger Parisienne station wagons, even a couple of convertibles. From thrifty 4-cylinder engines through V6s and V8s, gasoline or diesel, we've also got your kind of power.

Not to mention our fabulous GMC trucks for '84, from compact S-15s, now including small diesel pickups, to full-size gas or diesel pickups, Suburbans, Jimmys and Vans.

Come on to our place and let us prove that, dollar for dollar, model for model, our 1984 cars and trucks present the hottest floor show in this or any town!

"It's The Difference That Counts"

WOODLOT: 42 heavily wooded acres facing access to lake. This will give you firewood for years. Asking \$22,500. with good terms. Phone Ted Saxby at 457-1365 or 448-2493.

WATERFRONT: Three bedroom, insulated, septic, hot and cold water, carpeted, fireplace. Asking \$29,900. Phone Lois McBurney at 457-1365.

57 ACRES overlooking lake. 3000 ft. highway frontage. Close to town. Only \$27,500. Phone Grant Crofts at 457-1365 or 457-2309.

SECLUDED LAKE FRONTAGE: with sandy beach on a category 5 lake. Good road. Hydro nearby. Seclusion is built in. Site cleared and road in. 4.5 acres. \$19,900. Phone Ted Saxby at 457-1365 or 448-2493.

WATERFRONT: Lake Wenona beauty. 4 bedroom, sand beach, 2 fireplaces, excellent year round home. Asking \$55,000. Phone Lois McBurney at 457-1365.

2 OR 3 BEDROOM starter home. Close to schools etc. Excellent financing. Only \$35,900. Phone Grant Crofts at 457-1365 or 457-2309.

LOON LAKE: Level, waterfront, sand beach. Asking \$23,500. Phone Mary Woodcock at 457-1365 or 457-2070.

SOLID LOG COTTAGE with small acreage on acid free lake. Solid stone fireplace. Hydro. Terms may be available. \$23,500. Phone Ted Saxby at 457-1365 or 448-2493.

VICEROY WATERFRONT for under \$30,000. Good level lot on ploughed township road. Phone Lois McBurney at 457-1365.

3 BEDROOM COTTAGE wilderness setting with no roads or hydro. Propane lighting. Wood stove and a superb acid free lake. Only \$20,500. Phone Ted Saxby at 457-1365 or 448-2493.

LAKESHORE LOT easy access for year round residence. Only \$8,500. Phone Grant Crofts at 457-1365 or 457-2309.

WOODLAND WITH LAKE FRONTAGE: Red Oak, beech, maple and poplar make this your ideal woodlot. Then add 300 ft. of lake frontage, a year round road, hydro and a southern aspect for good measure. Asking \$25,900. Good terms. Phone Ted Saxby at 457-1365 or 448-2493.

EXECUTIVE HOME in town. Vendor will trade for smaller home and hold financing. Must be seen. Phone Lois McBurney at 457-1365.

SKYLINE PARK ROAD: Attractive "Viceroy Appollo", cathedral ceilings, large deck, well wooded lot. Asking \$47,500. Phone Mary Woodcock at 457-1365 or 457-2070.

HANDY AT FIXING? Then look at this little three bedroom home with access to Eagle Lake. This combines home and cottage for only \$22,900 with terms. Phone Ted Saxby, 457-1365 or 448-2493.

WATERFRONT LOT on Miskwabi Lake, year round road. Only \$10,900. Phone Lois McBurney at 457-1365.

LAKESHORE LOT on Lake Miskwabi. A steal at \$7,000. Phone Grant Crofts at 457-1365 or 457-2309.

VILLAGE BUILDING LOT. Nice level lot, 3/4 acre, off Harburn Road. Asking \$7,200. Phone Mary Woodcock at 457-1365 or 457-2070.

LOOKING FOR A BELOW AVERAGE PRICE? And an above average home? Then try this three bedroom gem with walk-out basement and nice lot. You might get it for \$5,000. down on full price of only \$26,900. Phone Ted Saxby at 457-1365 or 448-2493.

TWO EXCELLENT level cottage lots with deeded access to Lake Wenona, on ploughed road. Only \$4,900. each. Phone Lois McBurney at 457-1365.

BE IN THE HUNT: Nearly 400 acres of bush, cleared land and pond. Ideal habitat for ducks, deer, moose and bear. Year round road. Hydro. Full price is only \$47,900. but try \$10,000. down. Phone Ted Saxby at 457-1365 or 448-2493.

THE CORPORATION OF THE UNITED TOWNSHIPS OF
DYSART, DUDLEY, HARCOURT, GUILFORD, HAFURN,
BRUTON, HAVELOCK, EYRE AND CLYDE.

NOTICE

IN THE MATTER OF THE MUNICIPAL ACT AND IN THE
MATTER OF A PROPOSED BY-LAW OF THE CORPORATION
OF THE UNITED TOWNSHIPS OF DYSART, DUDLEY,
HARCOURT, GUILFORD, HARBURN, BRUTON, HAVELOCK,
EYRE AND CLYDE, IN THE COUNTY OF HALIBURTON.

NOTICE IS HEREBY GIVEN, pursuant to Chapter 302,
Section 301 of the Municipal Act, R.S.O. 1980,
as amended, that the Township Council of the
Municipality of the United Townships of Dysart,
Dudley, Harcourt, Guilford, Harburn, Bruton,
Havelock, Eyre and Clyde proposes to consider
and if deemed advisable, to pass at its regular
meeting to be held at the Council Chambers,
Haliburton, Ontario on Monday, November 14th,
1983, a By-Law pursuant to Section 298 of the
said Act to close, stop-up and convey the
following:

ALL AND SINGULAR that certain parcel or tract
of land, situate, lying and being in the Township
of Dysart, in the County of Haliburton, being
composed of the following described lands, as
outlined in red on a Plan drawn by Robert Woodcock,
O.L.S., and available for inspection at the offices
of the Municipality of Dysart et al, Haliburton,
Ontario:

(i) Part of Blair Drive, Part of Gregory Court
and Block "F" on Plan of Subdivision Number 557
for the Township of Dysart, more particularly
designated as Part 25 on a Plan of Survey re-
ceived and deposited in the Registry Office for
the Registry Division of the County of Haliburton
as Plan 19R-2918.

(ii) Part of Gregory Court on Plan of Subdivision
Number 557 for the Township of Dysart, more
particularly designated as Part 11 and Part 37 on a
Plan of Survey received and deposited in the
Registry Office for the Registry Division of the
County of Haliburton as Plan 19R-2918.

(iii) Part of Blair Drive on Plan of Subdivision
Number 557 for the Township of Dysart, more
particularly designated as Part 38 and Part 39 on
a Plan of Survey received and deposited in the
Registry Office for the Registry Division of the
County of Haliburton as Plan 19R-2918.

NOTICE IS HEREBY FURTHER GIVEN, pursuant to Chapter
302, Section 301 of the Municipal Act, R.S.O.
1980, as amended, that the Township Council of
the Municipality of the United Townships of
Dysart, Dudley, Harcourt, Guilford, Harburn,
Bruton, Havelock, Eyre and Clyde proposes to
consider and if deemed advisable, to pass at its
regular meeting to be held at the Council Chambers,
Haliburton, Ontario on Monday, November 14th, 1983,
a By-Law pursuant to Section 298 of the said Act
for establishing and laying-out of a public
highway on the following lands in order to provide
alternate access to certain lands, which access
will be required as a result of the closing and
conveyancing of the above described lands:

ALL AND SINGULAR that certain parcel or tract of
land and premises, situate, lying and being in
the Township of Dysart, in the County of Haliburton,
being composed of the following described lands
as outlined in green on a Plan drawn by Robert
Woodcock, O.L.S., and available for inspection at
the offices of the Municipality of Dysart et al,
Haliburton, Ontario:

(i) Part of Blair Drive and Block "E" on Plan of
Subdivision Number 557 for the Township of Dysart,
more particularly designated as Part 13 on a Plan
of Survey received and deposited in the Registry
Office for the Registry Division of the County
of Haliburton as Plan 19R-2918.

(ii) Part of Blair Drive and Block "F" on Plan
of Subdivision Number 557 for the Township of
Dysart, more particularly designated as Part 24
on a Plan of Survey received and deposited in
the Registry Office for the Registry Division of
the County of Haliburton as Plan 19R-2918.

(iii) Part of Gregory Court on Plan of Subdivision
Number 557 for the Township of Dysart, more
particularly designated as Part 35 on a Plan of
Survey received and deposited in the Registry
Office for the Registry Division of the County
of Haliburton as Plan 19R-2918.

(iv) Part of Lot 11 on Plan of Subdivision Number
557 for the Township of Dysart, more particularly
designated as Part 15 on a Plan of Survey received
and deposited in the Registry Office for the
Registry Division of the County of Haliburton as
Plan 19R-2918.

(v) Part of Lot 18 on Plan of Subdivision Number
557 for the Township of Dysart, more particularly
designated as Part 18 on a Plan of Survey received
and deposited in the Registry Office for the
Registry Division of the County of Haliburton as
Plan 19R-2918.

(vi) Part of Lot 13 on Plan of Subdivision Number
557 for the Township of Dysart, more particularly
designated as Part 20 on a Plan of Survey received
and deposited in the Registry Office for the
Registry Division of the County of Haliburton as
Plan 19R-2918.

(vii) Part of Lot 14 on Plan of Subdivision Number
557 for the Township of Dysart, more particularly
designated as Part 23 on a Plan of Survey received
and deposited in the Registry Office for the
Registry Division of the County of Haliburton as
Plan 19R-2918.

(viii) Part of Lot 15 on Plan of Subdivision Number
557 for the Township of Dysart, more particularly
designated as Part 40 on a Plan of Survey received
and deposited in the Registry Office for the
Registry Division of the County of Haliburton as
Plan 19R-2918.

(ix) Part of Lot 3, Concession VI, Township of
Dysart, more particularly designated as Part 42
on a Plan of Survey received and deposited in the
Registry Office for the Registry Division of the
County of Haliburton as Plan 19R-2918.

(x) Part of Lot 4, Concession VI, Township of
Dysart, more particularly designated as Part 4
on a Plan of Survey received and deposited in
the Registry Office for the Registry Division of
the County of Haliburton as Plan 19R-2918.

(xi) Part of Lot 4, Concession VI and Concession
VII, Township of Dysart, more particularly
designated as Part 3 on a Plan of Survey received
and deposited in the Registry Office for the
Registry Division of the County of Haliburton as
Plan 19R-2918.

(xii) Part of Lot 18 on Plan of Subdivision
Number 557 for the Township of Dysart, more
particularly designated as Part 34 on a Plan of
Survey received and deposited in the Registry
Office for the Registry Division of the County
of Haliburton as Plan 19R-2918.

(xiii) Part of Lot 17 on Plan of Subdivision
Number 557 for the Township of Dysart, more
particularly designated as Part 8 on a Plan of
Survey received and deposited in the Registry
Office for the Registry Division of the County
of Haliburton as Plan 19R-2918.

AND TAKE FURTHER NOTICE that before passing the
said By-Law at the meeting to be held at the
time and place above mentioned, the Township
Council of the Municipality of the United
Townships of Dysart, Dudley, Harcourt, Guilford,
Harburn, Bruton, Havelock, Eyre and Clyde shall
then and there hear in person, or by his counsel,
solicitor or agent, any person who claims that
his land will be affected by the said By-Law
and who applies to be heard.

DATED at Haliburton, Ontario this 26th day of
September, 1983.

WAYNE B. WOOD, A.M.C.T.,
Clerk-Treasurer

27. thank you

Thanks! To my sister, Denna White of Calgary and cousin Robert Brohm of Norland, who worked so hard over the past year, to dig up history on the "Brohm" family for a family tree. Denna wrote letters, and did the actual drawing of the tree, and Bob searched out old tomb stones, church records, etc. They organized the "Brohm" reunion at Balsam Lake Provincial Park, which was a huge success. On behalf of the "Brohm" clan, thank you! Shella Lake 27-B-28

IN THE MATTER OF Section 35 of The Planning Act [R.S.O.] 1970.C.349]
ONTARIO MUNICIPAL BOARD
IN THE MATTER OF AN APPLICATION BY THE CORPORATION OF THE
TOWNSHIP OF CARDIFF FOR APPROVAL OF ITS RESTRICTED AREA BY-LAW
27-81 AS AMENDED BY BY-LAW 1-83.

APPOINTMENT FOR HEARING

THE ONTARIO MUNICIPAL BOARD hereby appoints Monday, the 24th day of October, 1983, at the hour of two o'clock (local time) in the afternoon at the Room Old McGillivray School House, Township of Cardiff, for the hearing of all parties interested in supporting or opposing this application.

If you do not attend and are not represented at this hearing, the Board may proceed in your absence and you will not be entitled to any further notice of the proceedings.

In the event the decision is reserved, persons taking part in the hearing and wishing a copy of the decision may request a copy from the presiding Board Member or, in writing, from the Board. Such decision will be mailed to you when available.

DATED at Toronto this 15th day of September, 1983.

NOTICE OF APPLICATION to The Ontario Municipal Board by The Corporation of the Township of Cardiff for approval of a by-law to regulate land use passed pursuant to Section 35 of The Planning Act.

TAKE NOTICE that the Council of the Corporation of the Township of Cardiff intends to apply to The Ontario Municipal Board pursuant to the provisions of Section 35 of The Planning Act for approval of By-law No. 27-81 passed on the 14th day of September, 1981. A copy of the by-law is furnished herewith and a note giving an explanation of the purpose and effect of the by-law and stating the lands affected thereby is also furnished herewith.

ANY PERSON INTERESTED MAY within twenty-one (21) days after the date of this notice, send by registered mail or deliver to the Clerk of the Township of Cardiff notice of objection to approval of the said by-law or part thereof, giving detailed reasons therefor, and shall indicate that if a hearing is held, the objector or an agent will attend the hearing to support the objection.

ANY PERSON wishing to support the application for approval of the by-law may within twenty-one (21) days after the date of this notice, send by registered mail or deliver to the Clerk of the Township of Cardiff notice of his support of approval of the said by-law, together with a request for notice of any hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said by-law, but before doing so, it may appoint a time and place when any objection to the by-law will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the Clerk undersigned, the address to which notice of hearing is to be sent, and similarly to any person who has filed a request for a change in the provisions of the by-law.

THE LAST DATE FOR FILING OBJECTIONS WILL BE: DECEMBER 15TH, 1981.

DATED at the Township of Cardiff this 12th day of November, 1981.

Mrs. Gayle Billings, AMCT(A),
 Clerk-Treasurer,
 Township of Cardiff,
 R.R.#3, BANCROFT, Ont.
 KOL 1C0

THE CORPORATION OF THE TOWNSHIP OF CARDIFF
 BY-LAW NUMBER 27-81

EXPLANATORY NOTES

By-law No. 27-81 is a by-law to amend Restricted Area By-law No. 9-79, as previously amended by By-law Nos. 18-79, 3-80, 4-80, 8-80, 12-80, 18-80 and 26-81.

The effects of this By-law upon lands within the Township of Cardiff may be summarized as follows:

Section 1: This Section of the amending by-law adds certain lands in Part Lot 25, Conc. IX, Roll No. 00200023400 to Section 5.23 of By-law No. 9-79, as amended, to permit a "real estate office" as a permitted use within the Seasonal Residential zone pertaining only to the aforementioned lands.

Section 2: This Section is enacted as the result of The Ontario Municipal Board's decision regarding By-law No. 9-79 as amended, dated July 23, 1981. Sections 21 and 22 of By-law No. 18-79, referred to in this Section were enacted by the municipality in order to allow the conversion of "single family vacation dwellings" to use as a "single family dwelling", within the Seasonal Residential zone. The Ontario Municipal Board did not approve these Sections. The municipality must therefore delete same from its By-laws. The Ontario Municipal Board recommended that the conversion of "single family vacation dwellings" to "single family dwellings" within the Seasonal Residential zone should be done by means of individual by-law amendments. The effect of this Section is that only a "single family vacation dwelling" and a "public park" are permitted uses within the Seasonal Residential zone.

Section 3: This Section of the amending by-law is enacted again, as the result of The Ontario Municipal Board's decision regarding permitted uses within the Seasonal Residential zone.

Section 4: This Section of the amending by-law is enacted to allow a "single family vacation dwelling" or a "single family dwelling" on one lot within the existing Rural zone.

Section 5: This Section of the amending by-law establishes regulations for the uses added by Section 4 of the amending by-law within the Rural zone.

Section 6: This Section of the amending by-law deletes a Highway Commercial Zone (C) which was established in error in the original by-law, within Lot 16 Concession V and redesignates the lands to Open Space Zone (OS).

Section 7: This Section of the amending by-law redesignates part of the lands in Lots 14, 15 Concession V from Rural Zone (RU) to Highway Commercial Zone (C) regarding Roll No. 00100029700 to recognize an existing use, that was omitted from the original by-law.

Section 8: This Section of the amending by-law redesignates a road running northeast from Highway 648 through Lots A and 1 Concession XXII to the municipal boundary between the Townships of Harcourt and Cardiff from a "Township" road to a "private" road. This road was given incorrect status on Schedule "A" of By-law No. 9-79, as amended.

Section 9: This Section of the amending by-law adds an extension to the Township road located in Lot 24 Concession VIII running northerly into Lot 25 Concession IX and then westerly through Lot 25 Concession IX. This is a new section of road assumed into the municipal road system since the passing of the original by-law and is more commonly known as the "Houston Road".

Section 10: This Section of the amending by-law redesignates lands in Part Lot 25 Concession IX, Parts 2, 3 and 4 Registered Plan 19R-2243 from Rural Zone (RU) to Seasonal Residential (SR). Said lands are being developed by means of Application for Consent.

Section 11: This Section of the amending by-law redesignates certain lands in Lot 23 Concession VIII as shown on Schedule "A" from Rural (RU) zone to Seasonal Residential Zone (SR).

Section 12: This Section of the amending by-law redesignates Lots 4, 5, 6 and the north half of Lot 7 Concession XXI from Rural Zone (RU) to Open Space Zone (OS). It has been determined that the said lands are Crown lands.

Section 13: This Section of the amending by-law attempts to correctly map the Cope Lake Road as per Schedule "A".

Section 14: This Section of the amending by-law deletes the Disposal Industrial Zone (M3) in Lot 25 Concession XXI and redesignates the lands as Rural (RU). It has been determined that the said lands were not used as an active disposal site.

Section 15: This Section of the amending by-law deletes the Seasonal Residential Zone (SR) from Lot 14 Concession XXI and redesignates the lands as Rural (RU). This is to correct the mapping of Registered Plan No. 531.

Section 16: This Section of the amending by-law attempts to change Schedule "A" to accurately reflect the location of Registered Plan No. 531 in Lot 15 Concession XXI.

Section 17: This Section of the amending by-law corrects the status of a road branching and running southwest from the Township road in Lot 9 Concession VI from "Township" to "private" road.

Section 18: This Section of the amending by-law attempts to correctly map the forest access road located in Lot 7 Concession VI as shown on Schedule "A".

Section 19: This Section of the amending by-law redesignates lands in Lot 7 Concession VI from Rural (RU) to Commercial Tourist-Camping Park Zone (CT-1) to more accurately reflect the existing uses regarding these lands.

Section 20: This Section of the amending by-law re-locates the Highway Commercial Zone (C) in Lot 7 Concession VI to more accurately reflect the location of this existing use within the said lands.

Section 21: This Section of the amending by-law adds a small creek to Schedule "A" in Lots 7 and 8 Concession VI that was omitted from the original by-law.

Section 22: This Section of the amending by-law redesignates the area originally shown as Highway Commercial Zone (C) in Lot 7 Concession VI to Commercial Tourist-Camping Park (CT-1) to reflect the existing use of the said lands.

Section 23: This Section of the amending by-law designates an existing area in Lot 7 Concession VI Registered Plan No. 19R569 to Seasonal Residential Zone (SR) that was originally incorrectly zoned as Open Space (OS).

Section 24: This Section of the amending by-law designates an existing area in Lot 7 Concession V Registered Plan No. 420 to Seasonal Residential Zone (SR) that was originally incorrectly zoned as Open Space (OS).

Section 25: This Section of the amending by-law attempts to correctly map the Deer Lake Road passing from Highway 648 westerly along the boundary between Concessions XVI and XVII and then southerly through Lot 23 Concession XVI to a point approximately 60 metres west of the boundary between Lots 22 and 23 Concession XVI as per Schedule "A".

Section 26: This Section of the amending by-law attempts to correctly map a "private" road extending from the Deer Lake Road, westerly into Lot 21 Concession XVI as per Schedule "A".

Section 27: This Section of the amending by-law redesignates certain lands in Lot 10 Concession XIV from Rural Zone (RU) to Open Space (OS) Zone. It has been determined that the said lands are Crown lands.

Section 28: This Section of the amending by-law changes the status of a road which is an extension of the Colbourne (West) Lake Road, running diagonally southwest-northeast through Lot 9 Concession XIV. This road was originally designated as a "Township" road and has been determined to be a "private" road.

Section 29: This Section of the amending by-law reduces the size of the Environmental Control Zone (EC) in Lot 16 Concession XXII in accordance with Schedule "A". An on-site inspection determined that the zone area should be reduced from that originally shown.

Section 30: This Section of the amending by-law reduces the size of the Environmental Control Zone (EC) in Lot 19 Concession XXII in accordance with Schedule "A". An on-site inspection determined that the zone area should be reduced from that originally shown.

Section 31: This Section of the amending by-law redesignates Part of Lot 18 Concession XXII Part 1 Registered Plan No. 19R1197 from Rural Zone (RU) to Mobile Home Residential Zone (MHR).

Section 32: This Section of the amending by-law redesignates Part of Lot 20 Concession XVIII from Rural Zone (RU) to Commercial Tourist Zone (CT) to recognize an existing use of the said lands. This redesignation of lands is in connection with the Ontario Municipal Board's comments regarding Mr. Herlihey's lands, dated July 23, 1981. The lands redesignated are shown on Schedule "A".

The material herein includes a copy of Township of Cardiff By-law No. 27-81 together with the land use zoning Schedule "A" and is forwarded to you in accordance with the Rules of Procedure of The Ontario Municipal Board which requires that all property owners in and abutting the Township of Cardiff, being the area to which the By-law applies, be fully informed of any proposed By-law governing land use in their area or on lands abutting. By-law No. 27-81, when approved by The Ontario Municipal Board will then be applicable from the date of passing by the Council of the Corporation of the Township of Cardiff, September 14th, 1981.

EXPLANATORY NOTE

By-Law No. 1-83 is a by-law passed by the Township of Cardiff to amend By-law No. 27-81. (By-law No. 27-81 is a general amending by-law which amends the Township of Cardiff Comprehensive Zoning By-law No. 9-79.)

By-law No. 1-83 was passed to rectify the location of the Commercial Tourist-Camping Park (CT-1), and the Rural (RU) Zones as they apply to the Homestead property in Lot 7, Concession 6 of Cardiff Township. These zones as now indicated on Schedule "A" to By-law 1-83 reflect the actual location of the Homestead Trailer Park.
